

The secretaries are there to  
answer the phone

They also apply Band-Aids for  
those who bruise a bone.

Tap your feet to the beat.  
Listen to the voices singing  
sweet.

This room has books for everyone.  
We listen to stories and have fun.

If you are hungry come here for  
a snack,

But don't forget to put your tray  
on the rack.

Copy, paste, type and you can  
even surf,

If you like technology then this  
will be your home turf.

Slide and swing and monkey  
bar,

The next clue is where these  
things are.

Here you are! You played your part.

You found me here, you are  
so smart.

Congratulations!

You've earned the prize,

See if you can find it,

use your eyes!

Need a clue? This is true!

Children like it as much as mac  
and cheese,

But eat it too fast and you'll get a brain freeze!
