Add Comments

You can add comments to your assignment submission [1]. All comments left on a group assignment submission are sent to the instructor and the whole group.

If your group assignment submission includes commenting options, each member of your group is being graded individually. To send your comment to your instructor, select **Send comment to instructor only** [2]. To send your comment to your instructor and the whole group, select **Send comment to the whole group** [3].

To submit your comment, click the **Save** button [4].

This screenshot shows the 'Add a Comment' interface. At the top, it says 'Your project looks great!' followed by 'Doug Roberts , Feb 8 at 2:49pm'. Below this is a text input field labeled 'Add a Comment:'. To the right of the input field are two links: 'Media Comment' (with a speaker icon) and 'Attach File'. Below these links, it says 'All comments are sent to the whole group.' and there is a 'Save' button. On the right side of the interface, there are two radio button options: 'Send comment to instructor only' (selected) and 'Send comment to the whole group'. At the bottom right is a 'Save' button. Numbered callouts are present: 1 points to the 'Add a Comment:' text field; 2 points to the 'Send comment to instructor only' radio button; 3 points to the 'Send comment to the whole group' radio button; and 4 points to the 'Save' button at the bottom right.

Add Media Comment

To add a media comment to your submission, click the **Media Comment** link. You can record a video ([see STKB029](#)) or record an audio ([see STKB030](#)) comment to send to your instructor.
