Commission Inquiry

1. I reserve the right to refuse any commission.
2. You are purchasing a digital file of the artwork, **not** a physical print.
3. Commissions may take anywhere from 1 week to 2 months. I will notify you if your commission will take longer for any reason.
4. Additional fees will apply if the character design/piece you want done is more complex. If so I will inform you of this before the commission is accepted.
5. Additional fees will apply for commercial rights to an artwork. This will be discussed before the commission is accepted.

Blockchain/NFTS

1. Any artwork produced by me is **not** permitted to be used in any blockchain-related technology, to include NFTs, cryptocurrency, or any future inventions in the space.
2. I have never and **will** never accept any commissions regarding Blockchain/NFTs.

Use of Work

1. You may **not** resell or make money from any artwork I make unless the artwork was commissioned for commercial use.
2. Please credit me for the art if you post it anywhere.
3. Do **not** claim my work as your own.
4. You may **not** use my work in any way relating to AI, this includes making changes to it using AI, or using my work as a reference for AI to make images from.
5. I have the right to post the artwork on any social media, use it for my portfolio etc.

Payment

1. Payment must be made upfront, **no exceptions. Do not** send payment until I confirm your commission order.
2. Payment will be made through a paypal invoice (USD). I will send an invoice when the commission has been accepted.
3. **No commission refunds**, unless I am otherwise unable to complete your commission and state so.
4. I reserve the right to cancel your commission at any time. A refund will be issued if I choose to cancel your commission.

Commission Details

(Status updates may vary depending on the commission type)

1. **After** payment has been processed I will begin working on your commission.
2. I will send you a rough sketch of the piece for feedback first. This will be your only chance to ask for any large changes to the art. Any large changes afterwards will be declined or may be requested for an additional fee.
3. I will send a flat colored version for confirmation on the colors of the piece. This will be your chance to make any small adjustments to the colors before I render the commission.
4. I will send you the final piece after completion.
