**Full Render Painting:** \$300+ (+75% for additional characters) | This tier is more reliant on the client's choices and is most negotiable in price. These include a simple background as a free addition that can be upgraded for complexity. Price is based on resource intensive tasks.

**Quick Painting:** \$200+ (+75% for additional characters). These can have extra revision stages, higher price for time involved. **Discount on simple background additions.** Ex: 2 characters + bg = ~\$415 ; 1 character + bg = ~\$315

**Sketches/Flats:** \$80+ (+50% per character.) **This is the cheapest option.**

**Backgrounds:** Simple background renders are free with Full Render Painting tier. Discount on Quick Painting

**Details:** cost extra. This includes but is not limited to: armor, extravagant clothing, accessories, tattoos, piercings, weapons, wear and tear, etc. This also includes the time spent on resources and materials needed.

**Q: How will I know when you're open?**

A: I will pin an announcement on twitter or leave a note here.

**Q: Can I get in a queue, or a waitlist?**

A: If I have high demand I will offer a spreadsheet.

**Q: How long does it take to finish a commission for you?**
