CLASS SIZE POLICY

Statement of Policy

It is the policy of the Windham Southwest Supervisory Union to comply with Vermont law requiring school boards to develop guidelines for minimum and optimal average class sizes for regular and career technical education classes. Class size guidelines will be used to inform annual decisions related to staffing and program offerings.

2) May vary, as necessary, to reflect differences among school districts due to geography and other factors, such as school size and programmatic needs. 3) Comply with state or federal requirements related to matters such as student teacher ratios, special education, technical education and English Language Learners.
2. The superintendent shall report to the Board at least annually on the implementation of this policy, and shall include in the report information related to the use of the guidelines in determining actual class sizes and program offerings in the schools within the SU/SD.
