What You Get

For a one-time purchase of \$1,099.00, Trading Mastery (French) offers a suite of resources. Here's a breakdown of what's included:

- Lifetime access to an exclusive Discord server.
- A complete training program designed to help beginners become profitable traders.
- Psychological strategies for maintaining composure during trading.
- Priority support for all your questions and concerns.

The focus seems to be on providing a comprehensive learning experience, coupled with direct access to the course creator for guidance.

The Creator

The program is led by xauvictor, who joined in November 2022. They have a proven track record, having secured funding exceeding one million dollars through trading gold and forex. The creator's stated goal is to share trading insights and help others succeed through dedicated work.

Member Reviews

Trading Mastery (French) boasts a rating of 4.97 out of 5 stars based on 29 total reviews. Here's a closer look at what members are saying:

- One member, writing 10 days after their purchase, calls Vic (the creator) a "machine" and highlights their willingness to help and answer questions, recommending them as a mentor.
- Another member, writing 19 days after purchase, praises Vic's clarity, usefulness, and dedication to members' success, giving a 110% recommendation.
- A review from 2 months after purchase simply states, "sick to recommend!"
- A member after 4 months wrote a very enthusiastic review: "a real war machine!!!!!!!"
- A review posted 8 months ago reinforces the positive sentiment.

The feedback is overwhelmingly positive, with consistent praise for the creator's support, clarity, and dedication to student success. Several reviewers describe the creator as a helpful "machine" and express strong recommendations.

Pricing

The cost of Trading Mastery (French) is a one-time purchase of \$1,099.00.

Is It Right For You?

If you're looking for a trading course with direct access to an experienced trader who has demonstrable success – securing over a million dollars in funding –

Trading Mastery (French) could be a good fit. The course seems to be geared towards beginners, promising to guide you from zero knowledge to a profitable trading strategy. The strong emphasis on psychological strategies is a plus, as maintaining emotional control is crucial in trading. The highly positive member reviews suggest a supportive learning environment. However, the \$1,099.00 price point is a significant investment.
