Why should our church support

Nazarene Motorcycle Ministries?

Our Vision

Nazarene Motorcycle Ministries was established to build a Christ-centered motorcycle ministry that reaches bikers and the broader community with the love, hope, and truth of Jesus Christ.

Our Mission

Nazarene Motorcycle Ministries exists to use the shared passion of motorcycling to:

- Share the gospel within biker culture and local communities
- Provide fellowship, accountability, and spiritual encouragement for Christian riders
- Serve our community through outreach events and charitable initiatives
- Maintain a visible, positive Christian presence at motorcycle gathering and events
- Try to connect other riders with a local church

Our Purpose

Motorcycle culture represents a unique and often underserved mission field. Many riders may not attend traditional church services but are open to authentic relationships and meaningful conversations.

Nazarene Motorcycle Ministries seeks to meet people where they are – at bike nights, rallies, charity rides, and community events – demonstrating faith through action and building trust through genuine connection.

Events rely on the support of various volunteers and the generosity of the local church. As the ministry grows, more roles may need to be established and filled, including but not limited to a Ride Coordinator, Outreach Coordinator, Treasurer, etc. Financial transparency is maintained within the local church's accounting procedures.
