

Oklahoma Thespians

ONE ACT FESTIVAL GUIDELINES

This is NOT a competition. This is a festival. Our goal is to show the best of your individual troupe's talents in a presentational and celebratory festival experience.

THE SHOW

Thespian Troupes in Oklahoma may produce any show of their choosing that is appropriate for their school community to perform at the OK Thespian Festival. The show can be published or original.

Your show should be set, performed, and cleared within a 30 minute window. We will take 15 minutes between performances to allow everyone to rotate, visit the facilities, etc.

THE SET

All major set pieces will be provided to every troupe. We are using a unit set that consists of:

- 6 4x4 platforms
- 2 4x4 ramps (level of platforms)
- 2 4' pillars
- 2 2' pillars
- 2 benches with rounded underside
- 2 benches with no underside (can also be used as pillars)
- 4 rehearsal style cubes with handles
- 4 caps or 1x1 cubes with open sides
- 2 small stairs (not visible in the picture)

- 2 large stairs

The set will be painted black.

Schools may bring in tables, chairs or any other minor set pieces you need, but there will be very limited storage space.

COSTUMES/PROPS

Schools may bring costumes and props as they choose. There will be very limited storage backstage for costumes/props.
