Photographers' Web Sites

Web pages are today's galleries; many photographers use them to show a broader sampling of their work than they could in a gallery exhibit or a photographic book. Compared to those venues, a Web site is also available to be seen almost anywhere at any time and can always be updated to include new work. Use the links below to find out more about the photographers whose work appears in this book.

Adams, Ansel Adams, Shelby Lee Avedon, Richard Barney, Tina Benjamin, Martin Bloom, Steve Brooks, Dave Brown, Polly Burson, Nancy Burymsky, Edward Cary, Allison Cartier-Bresson, Henri Chin, Christine Craftern, Billy L. Brian Ulrich, *Untitled (7th) (2001)*, 2005. *Obscure comes quickly in the digital world, as you see in this photograph from Ulrich's series on thrift stores. We know through*

advertising that the equipment and software for making photographs are constantly evolving, but as are the pictures we see now online. Use the list on these two pages to check in on your favorites.
