

English Learner lesson

Purpose: Students will create a language arts lesson. Students will devise strategies that will help English Learners learn the academic language in the lesson. Students will incorporate integrated English Language Development activities into the lesson.

Points possible: 10

Requirements:

1. Students may complete this assignment individually or in groups of 2 to 5 people.
2. Choose one of the following Common Core Standards as the focus of your lesson.
 - i. CCSS.ELA-LITERACY.RL.5.3
Compare and contrast two or more characters, settings, or events in a story or drama, drawing on specific details in the text (e.g., how characters interact).
 - ii. CCSS.ELA-LITERACY.RL.4.3
Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions).
3. Create a lesson that covers that standard. Your lesson must be connected to a chapter book that is appropriate for grades 4-8. In other words, for this lesson, your future students will be writing or discussing about characters, settings or events from a specific chapter book.
4. Please use the lesson plan template found on Canvas.
5. CA ELD Standards link: <https://www.cde.ca.gov/sp/el/er/documents/eldstndpublication14.pdf>
Choose at least one ELD Standard that corresponds with the grade level and the ELA Common Core Standard. For this activity, choose the designation associated with students at the Expanding level of ELD proficiency. Include this standard as one of the standards in your lesson.
6. In the sections in your lesson plan on English Learner adaptations, discuss how you will provide support for your English Learners. Discuss how you will incorporate integrated English Language Development into the lesson.
7. As part of this EL support, you must choose at least three vocabulary words from your chapter book that may be new words for your English Learners. For each of these vocabulary words, describe how you will use supportive strategies to help your students learn these words.
