Hoosier Boys and Girls State are programs designed to educate young men and women of Indiana in the duties, privileges, rights and responsibilities of citizenship. It is a week of living and learning the political

system of Indiana through a mythical City, County and State. It is viewed as an honor to be selected for Hoosier Boys and Girls State, and many colleges give special consideration for admission and scholarships to former delegates.

All of our students that have attended in the years past have come back excited that they attended and had a great time. Please let me Angie Rowlett (Guidance) if you have any questions or would like to attend this year as soon as possible.
