

Yay, welcome we're so glad to have you as part of the Van Rescue Team! Thank you so much to everyone who came to training - we loved seeing all your beautiful faces!!<3 If you couldn't make it, no worries outlined below are the steps you can take to start doing shifts and playing your part in making change in the food system!!!

1. Watch [Zoom recording](#) or attend Training.
2. Read through and familiarize yourself with [Saturday 1](#), [Saturday 2](#), and [Friday](#) shifts.
3. Read through and familiarize yourself with [Van Training](#).
 - a. Email Yas (yasaman.salon@tufts.edu) and Leila (leila.skinner@tufts.edu) with personal ID information to gain access to vans.
4. Read through, make a copy, and send a SIGNED copy of [COVID volunteer Integrity and Safety form](#) to Yas and Leila via email.
5. Sign up for a shift here: [Spring 2022 Shift Calendar](#). Please try to fill in shifts that don't have volunteers before doubling up.

Key Reminders:

1. WINTER UPDATES:
 - a. The van will be parked in the Dowling parking garage for the winter months. So that's where you can access, and return, it.
 - b. When you are entering/exiting Dowling, please use the 5th floor entrance. The ground level will be too low for van clearance. 5th floor is also where the van is currently parked.
2. If you're driving a van for a Saturday shift, you need to go to the CC the day before and let Yas and Leila know you have the keys by 8 PM.
3. Saturday shifts need to fill up the tank with gas after their shift.
 - a. Instructions in Van Training.
4. Weigh all the food and total it in the Shift Calendar spreadsheet.
