

Sl: want to gain more clients in copywriting

Pv:here's how

Hey firstname%

Wonder how I gained more clients in copywriting with just simple steps.

Well today is your lucky day because I am going to tell you just how I got my clients.

Alot of people struggle getting clients in the slightest mistakes that affect you alot in getting clients like:

- A weak or nonexistent portfolio makes it hard to prove your skills.
- Trying to write for everyone instead of focusing on a niche.
- Sending pitches that focus on yourself instead of client needs.

And If you fix all of your mistakes indicated you will surely get clients but not instantly but time going you will understand the prospect needed and how simple It is.
