Quiz question

We will have a quiz with questions related to open science and the OLS program. They will be used as a base for discussion after each round. We prepared questions for the first 2 rounds. For the final round, we would like your questions (related to OLS, your projects, the program) to be asked and discussed.

It can be:

- a question
- an anagram
- a dingbat or rebus
- a sentence with missing words
- a song to find
- a faded logo to find
- the picture of someone
- a gif of a film or series

- etc

You can submit your question by sending an email to team@openlifesci.org

Welcome!

- Rules
 - 3 rounds of 10 questions
 - Round 1: Fun questions (about open science, people, projects)
 - Round 2: Questions on Open Science concepts learned in OLS
 - Round 3: Questions from the members to others
 - Groups of 3-6 people
 - No searching online
 - **Prizes:**
 - A paper trophy 🏆
 - Access to useful community resources 📚
 - 100 OLS points 💰 for a coffee with us any day we are in the same city! (too many conditions, but we buy you a coffee or more! ☕)
 - **Game rules:**
 - For the 3 rounds, there will be assigned, groups.
 - Each group will have a few minutes to get to know each other within a breakout room. They will also make a copy of the [answer Google sheet](#) to collect answers together.
 - People will be called back in the main room and the quiz master will ask 10 questions in the first and second round (and repeat them)
 - At the end of each these rounds, the group will have an extra 10 minutes together in a breakout room to discuss the answers and write them in the Google sheet
 - After the round is over, people will be called back in the main room. The quizmaster will give the answers. The answers will be discussed together. During this time the points will be counted (1 per good answer). The scores and the winning group for the round will be announced and the next round will start.
