

Seminar Title

A Prelude to Commutative Algebra and its Application

Speaker: Professor Dr. Imran Anwar, LUMS

Date/Time: Monday March 01, 2021

4:00 PM - 5:00 PM

Abstract

Modern phase of commutative algebra has evolved tremendously in recent decades. In this talk, I will discuss some enticing aspects of computational as well as combinatorial commutative algebra. This talk will encompass few celebrated results and applications.
