

# Privacy Policy for Daily Feng Shui Chrome Extension

**Effective Date: 8 January 2025**

Thank you for using the Daily Feng Shui Chrome Extension! We are committed to protecting your privacy and ensuring transparency about how your information is handled. This Privacy Policy explains how we handle data related to the extension.

## 1. Overview

- **Free App:** The Daily Feng Shui Chrome Extension is free to use, and all features are accessible without any payment or data submission.
- **No Data Collection:** We do not collect or store personal data from users for the core functionality of the app.
- **Internet Connection:** The extension requires internet access to refresh the background image and fetch Feng Shui content.

## 2. Optional Waiting List for AI Features

We are working on exciting upcoming AI features, including personalized Feng Shui and zodiac-related insights. Users can optionally join our waiting list by providing:

- **Email Address:** To notify you when the features are live.
- **Phone Number:** To inform you about WhatsApp integration (optional).
- **Birthdate:** For the upcoming Chinese Zodiac feature (optional).

### Important Notes:

- Submitting this data is entirely voluntary and not required to use the extension.
- Users who choose not to join the waiting list can still access all existing features without restrictions.

## 3. How We Use Your Information

If you choose to provide optional information for the waiting list:

- **Email and Phone Number:** Used solely for notifying you about upcoming features and updates.
- **Birthdate:** Used only to personalize the upcoming Chinese Zodiac feature.

We do not share, sell, or use your information for any purpose other than the stated objectives.

## 4. Third-Party Services

The extension uses internet access to refresh background images and fetch Feng Shui content. These interactions may involve third-party servers, such as image hosting platforms, which may process standard internet connection details (e.g., IP address).

We recommend reviewing privacy policies of third-party services used within the extension, such as image providers or any future APIs.

## 5. Security

We implement reasonable measures to protect the data you choose to share (e.g., email, phone, birthdate) and ensure it is securely handled. However, no internet-based service is completely secure, and we cannot guarantee absolute protection.

## **6. Your Rights**

- You have full control over whether to provide optional information for the waiting list.
- You may request removal of your data from our waiting list at any time by contacting us at [Insert Contact Email].

## **7. Updates to This Privacy Policy**

This Privacy Policy may be updated periodically to reflect changes in functionality or data practices. We will notify users of significant updates through the Chrome Web Store or other communication channels.

## **8. Contact Us**
