UniConvert Kit — Terms of Service

Effective Date: September 17, 2026
Last Updated: September 17, 2026

These Terms of Service ("Terms", "Terms of Service") govern your access to and use of the **UniConvert Kit** mobile application, website, services, features, and related software (collectively, the "Service").

By downloading, installing, accessing, or using UniConvert Kit, you agree to be bound by these Terms. If you do not agree with these Terms, you must not use the Service.

---

1. About UniConvert Kit

UniConvert Kit is a file and media utility application designed to help users perform common operations on files and media.

Depending on the version of the application and your platform, available functionality may include:

- File format conversion
- Image conversion
- Audio conversion
- Video conversion
- Document conversion
- Office document conversion
- eBook conversion
- Video compression
- Audio compression
- Video trimming
- Audio trimming
- Video merging
- Audio merging
- Video speed adjustment
- Audio speed adjustment
- Video aspect-ratio adjustment
- Audio extraction from video
- Text-to-Speech
- Text-to-Speech audio file generation
- File and media processing
- Watermarking

- File management
- Generated-file management
- File sharing and export
- Conversion history
- Other file-related utilities introduced in future versions

The exact functionality available to you may depend on your operating system, application version, subscription status, device capabilities, and technical availability.

---

2. Acceptance of These Terms

By using the Service, you confirm that:

1. You are legally capable of entering into these Terms.
2. You have the legal right to use the files and content that you process.
3. You will use the Service in accordance with applicable laws.
4. You will not use the Service for unlawful, fraudulent, abusive, or harmful purposes.
5. You agree to these Terms and our Privacy Policy.

If you are using UniConvert Kit on behalf of an organization, you represent that you have authority to bind that organization to these Terms.

---

3. Changes to the Service

We may modify, update, add, remove, suspend, or discontinue features of UniConvert Kit at any time.

Changes may include:

- Adding new conversion formats
- Removing unsupported formats
- Adding new utilities
- Changing processing limits
- Changing free usage limits
- Modifying subscription features
- Improving processing algorithms
- Changing supported devices
- Changing third-party integrations
- Discontinuing obsolete features

We do not guarantee that any particular feature will remain available indefinitely.

---

4. Eligibility

You must meet the minimum age and legal requirements applicable in your country to use the Service.

If the Service is used by a minor, use must be authorized and supervised where required by applicable law.

UniConvert Kit is not specifically designed as a service for children.

---

5. User Content and Files

5.1 Your Files

UniConvert Kit may allow you to select, upload, process, convert, modify, generate, or export files.

These files may include:

- Images
- Videos
- Audio
- Documents
- Office files
- eBooks
- Text
- Other supported file types

You retain ownership of your files.

UniConvert Kit does not claim ownership of your original content merely because you use the Service to process it.

5.2 Your Responsibility

You are solely responsible for the files and content you process using UniConvert Kit.

You must ensure that you have all necessary:

- Ownership rights
- Copyright permissions
- Licenses
- Consents
- Authorizations
- Privacy permissions

required to process the content.

5.3 Prohibited Content

You must not use UniConvert Kit to process content that:

- Violates applicable law
- Infringes copyright or intellectual-property rights
- Violates another person's privacy
- Contains unlawful personal information obtained without authorization
- Facilitates fraud
- Facilitates identity theft
- Facilitates other illegal activities
- Contains malware intended to damage systems
- Attempts to exploit or compromise our infrastructure
- Violates applicable sanctions or export restrictions

We reserve the right to restrict or terminate access when we reasonably believe the Service is being used unlawfully or abusively.

---

6. File Processing

UniConvert Kit may process files in different ways depending on the feature.

6.1 Local Processing

Some operations may be performed entirely on your device.

For example:

- Image processing
- Audio processing

- Video processing
- File transformations
- Compression
- Trimming
- Merging
- Other offline utilities

When processing occurs locally, the application may access the selected files only as necessary to perform the requested operation.

6.2 Cloud Processing

Certain operations may require cloud-based processing.

When cloud processing is used:

1. You select the file or content.
2. The application transfers the required data to the processing infrastructure.
3. The processing service performs the requested operation.
4. The resulting file is returned to you.
5. Temporary processing data may subsequently be deleted according to our retention practices.

Cloud processing may be required for certain conversion formats, AI-related functionality, Text-to-Speech, or other computationally intensive features.

---

7. Generated Files

UniConvert Kit may create files based on content you provide.

Examples include:

- Converted documents
- Compressed videos
- Compressed audio
- Extracted audio
- Generated speech audio
- Merged media
- Resized media
- Watermarked files
- Other generated outputs

You are responsible for reviewing generated files before using, publishing, distributing, or relying on them.

We do not guarantee that generated files will:

- Preserve all original content
- Preserve metadata
- Preserve formatting
- Preserve quality
- Be compatible with every application
- Be suitable for a particular purpose

---

8. Text-to-Speech

UniConvert Kit may provide Text-to-Speech functionality.

You may provide text that is converted into an audio file.

You are responsible for ensuring that you have the right to use the text submitted for processing.

Generated speech may depend on:

- Third-party speech engines
- Operating-system capabilities
- Language availability
- Voice availability
- Network connectivity
- Service availability

We do not guarantee that generated speech will perfectly reproduce the submitted text or desired pronunciation.

You should not rely on generated speech for safety-critical, medical, legal, emergency, or other high-risk applications.

---

9. Third-Party Services

UniConvert Kit may integrate with third-party services and technologies.

These may include services for:

- Authentication
- Analytics
- Crash reporting
- Advertising
- Payments
- Subscriptions
- Cloud processing
- Text-to-Speech
- File processing
- Infrastructure
- Notifications

Third-party services may have their own terms, privacy policies, limitations, and technical requirements.

Your use of those services through UniConvert Kit may be subject to their respective terms.

---

10. Conversion and Processing Limitations

File processing is technically complex and may fail for various reasons.

A conversion may fail because of:

- Unsupported file structure
- Corrupted files
- Unsupported codecs
- Unsupported formats
- DRM protection
- Password protection
- Invalid metadata
- Excessive file size
- Insufficient device resources
- Insufficient server resources
- Network interruptions
- Third-party service failures
- Processing time limits
- Operating-system limitations

We do not guarantee that every file can be successfully converted or processed.

---

11. File Size and Usage Limits

We may impose reasonable limitations on Service usage.

These may include:

- Maximum file size
- Maximum processing duration
- Maximum number of conversions
- Maximum number of generated files
- Maximum Text-to-Speech length
- Maximum number of simultaneous operations
- Daily or monthly usage limits
- Storage limitations
- Processing-time limits

Limits may vary depending on whether you use the Free or Premium version of the Service.

---

12. Free Version

UniConvert Kit may provide certain functionality without payment.

The Free version may include:

- Limited conversions
- Limited processing operations
- Limited file sizes
- Advertisements
- Limited advanced functionality
- Other usage restrictions

Free features may change over time.

We do not guarantee that any particular feature will always remain available for free.

---

13. Premium Features

Certain features may require a paid subscription or one-time purchase.

Premium functionality may include, depending on the current product offering:

- Increased processing limits
- Larger files
- Unlimited or higher conversion limits
- Batch processing
- Advanced media utilities
- Background processing
- Reduced or removed advertising
- Premium formats
- Additional processing options
- Priority processing
- Other premium functionality

The exact benefits are presented in the application before purchase.

---

14. Subscriptions

If you purchase a subscription, you agree to the applicable payment terms displayed by the platform through which you purchase the subscription.

Subscriptions may be offered as:

- Weekly
- Monthly
- Yearly
- Other billing periods

The available plans may change.

---

15. Automatic Renewal

Unless cancelled in accordance with the applicable platform's rules, subscriptions may automatically renew.

The applicable app store or payment provider generally manages:

- Billing
- Renewal
- Cancellation
- Payment method
- Refund eligibility
- Subscription status

You should review the subscription information presented by the platform before completing a purchase.

---

16. Cancellation

You may cancel a subscription according to the cancellation procedures provided by the platform through which you purchased it.

Deleting UniConvert Kit from your device may not automatically cancel an active subscription.

You are responsible for cancelling your subscription before the next renewal period if you do not wish to continue using the paid service.

---

17. Refunds

Payments may be processed by third-party app stores or payment providers.

Refunds are generally subject to the refund policies of the platform through which the purchase was made.

UniConvert Kit does not guarantee that a refund will be issued.

Where applicable, you should submit refund requests through the relevant app store or payment provider.

---

18. Pricing

Prices for subscriptions and purchases may vary depending on:

- Country
- Currency
- Platform
- Taxes
- Promotional offers
- Subscription plan
- Purchase method

Prices displayed at the time of purchase will apply to that transaction.

We may change pricing for future purchases or renewals where permitted by applicable law and platform rules.

---

19. Promotions and Trials

UniConvert Kit may occasionally provide:

- Free trials
- Promotional subscriptions
- Discounted plans
- Limited-time offers
- Promotional credits

Promotional terms may vary.

Unless explicitly stated otherwise, promotional offers do not create a permanent entitlement to discounted pricing.

---

20. Advertising

The Free version of UniConvert Kit may display advertisements.

Advertisements may be provided by third-party advertising platforms.

We do not control the content of third-party advertisements.

Interactions with advertisements may be subject to the policies and terms of the relevant advertising provider.

Premium plans may include an ad-free experience if explicitly stated in the applicable subscription offer.

---

21. Intellectual Property

UniConvert Kit and its associated materials may contain intellectual property owned by us or our licensors.

This may include:

- Application code
- UI design
- Logos
- Icons
- Graphics
- Product names
- Text
- Documentation
- Software architecture
- Branding
- Original assets

Except where permitted by law or expressly authorized by us, you may not:

- Copy
- Modify
- Distribute
- Sell
- License
- Reverse engineer
- Decompile
- Disassemble
- Extract proprietary components
- Create derivative works

from the Service or its proprietary components.

---

22. Open-Source Software

UniConvert Kit may incorporate open-source software.

Open-source components remain subject to their respective licenses.

Nothing in these Terms is intended to restrict rights granted to you under applicable open-source licenses.

Applicable open-source notices may be made available within the application or documentation.

---

23. Third-Party Libraries

The Service may use third-party libraries for functionality such as:

- Audio decoding
- Video processing
- FFmpeg-based processing
- Image processing
- Document conversion
- Text-to-Speech
- Notifications
- Analytics
- Authentication
- Payments
- Advertising

Third-party libraries may have independent licenses and limitations.

---

24. Security

We take reasonable measures designed to protect the Service and information processed through it.

However, no system can be guaranteed to be completely secure.

You acknowledge that:

- Internet transmission may involve risks.
- Local device security is your responsibility.
- You should keep your operating system updated.
- You should avoid processing highly sensitive files unless you understand the applicable processing method.
- You should maintain backups of important original files.

---

25. Backup Responsibility

UniConvert Kit is not intended to be your primary backup service.

You should maintain independent backups of important files.

We are not responsible for loss of files resulting from:

- Device failure
- Application failure
- User deletion
- Operating-system failure
- Cloud-processing errors
- Storage failure
- Network problems
- Unexpected software behavior
- Service discontinuation

---

26. Availability

We aim to keep UniConvert Kit available and functional, but we do not guarantee uninterrupted availability.

The Service may become temporarily unavailable due to:

- Maintenance
- Updates
- Infrastructure failures
- Network problems
- Third-party outages
- Security incidents
- Platform restrictions
- Technical problems
- Force majeure events

---

27. No Guarantee of Results

UniConvert Kit provides file-processing tools on an "as is" and "as available" basis to the extent permitted by applicable law.

We do not guarantee that:

- Every conversion will succeed.
- Every generated file will be error-free.
- Converted files will preserve all original characteristics.

- Processing will always be completed within a particular time.
- Every file format will remain supported.
- The Service will work on every device.
- The Service will meet every particular use case.
- Generated results will always meet your expectations.

---

28. Disclaimer

To the maximum extent permitted by applicable law, UniConvert Kit and its operators disclaim warranties that are not expressly stated in these Terms.

The Service is provided for general file and media utility purposes.

You are responsible for determining whether a generated or converted file is suitable for your intended purpose.

---

29. Limitation of Liability

To the maximum extent permitted by applicable law, UniConvert Kit and its developers, operators, affiliates, licensors, and service providers will not be liable for indirect, incidental, special, consequential, or similar damages arising from your use of the Service.

This may include damages associated with:

- Loss of files
- Loss of data
- Loss of profits
- Business interruption
- Loss of opportunities
- Failed conversions
- Failed processing
- Service interruptions
- Incompatibility
- Third-party service failures

Nothing in these Terms excludes liability that cannot legally be excluded under applicable law.

---

30. Your Responsibility for Important Files

Before processing important files, you should maintain a backup.

For example, before:

- Compressing a video
- Re-encoding audio
- Converting a document
- Merging files
- Trimming media
- Applying a watermark
- Overwriting an original file

you should ensure that an original copy is safely stored elsewhere.

---

31. Acceptable Use

You agree not to:

1. Abuse the Service.
2. Attempt to bypass usage limits.
3. Circumvent subscription restrictions.
4. Reverse engineer proprietary functionality.
5. Attack or overload the infrastructure.
6. Introduce malware.
7. Attempt unauthorized access.
8. Interfere with other users.
9. Use automated systems to abuse the Service.
10. Use the Service for unlawful purposes.
11. Attempt to obtain paid functionality without authorization.
12. Exploit technical vulnerabilities without authorization.
13. Resell the Service without permission.

---

32. Account and Authentication

Certain features may require an account.

You are responsible for:

- Maintaining access to your account.
- Protecting authentication credentials.
- Providing accurate account information.
- Not sharing access in a manner that violates these Terms.

If you believe your account has been compromised, you should take appropriate steps to secure it.

---

33. Account Suspension or Termination

We may suspend or terminate access to the Service where reasonably necessary, including if:

- You violate these Terms.
- You use the Service unlawfully.
- You attempt to abuse the Service.
- You attempt unauthorized access.
- You circumvent technical limitations.
- Your activity creates security risks.
- Required by law.
- Required by a platform provider.

Where appropriate and permitted by law, we may provide notice before termination.

---

34. Effect of Termination

After termination:

- Your right to use the Service may end.
- Access to certain features may become unavailable.
- Local files may remain on your device unless you delete them.
- Temporary cloud-processing files may be deleted according to our retention practices.
- Subscription cancellation and refunds remain subject to the applicable platform's rules.

Termination does not eliminate obligations that by their nature should survive termination.

---

35. Privacy

Your use of UniConvert Kit is also governed by our Privacy Policy.

The Privacy Policy explains how we may collect, use, process, store, and protect information.

Privacy Policy:
https://docs.google.com/document/d/1hcorkgkxH-PLMLaLzWdPctmiX6XKWw-81wlrsHEnATM/edit?usp=share_link

You should read the Privacy Policy before using the Service.

---

36. Permissions

UniConvert Kit may request device permissions required to provide specific features.

Depending on the platform and features used, permissions may include:

- Photo library access
- File access
- Camera access
- Microphone access
- Notifications
- Storage access

You can generally control permissions through your device settings.

Some functionality may not work if the required permission is denied.

---

37. User Privacy and Sensitive Files

You may process personal or sensitive files through UniConvert Kit.

You are responsible for determining whether processing such files is appropriate.

Before uploading a sensitive file to cloud processing, you should review the applicable privacy information and understand how that feature processes the file.

We recommend using local processing where available when you do not want a file transmitted to a remote service.

---

38. Copyright Complaints

If you believe that content processed through the Service infringes your copyright or other intellectual-property rights, you may contact us with relevant information.

Your notice should include sufficient information to identify:

- The protected work
- The allegedly infringing content
- Your ownership or authorization
- The relevant location or information
- Your contact information

We may take appropriate action in accordance with applicable law.

---

39. Feedback

If you provide suggestions, ideas, feature requests, or other feedback regarding UniConvert Kit, you agree that we may use that feedback to improve the Service without creating an obligation to compensate you, except where prohibited by law.

Feedback may include:

- Feature requests
- UI suggestions
- Bug reports
- Performance feedback
- Product ideas
- Conversion-format requests

---

40. Third-Party Content

The Service may contain links, advertisements, integrations, or references to third-party services.

We are not responsible for:

- Third-party content
- Third-party services
- Third-party availability
- Third-party privacy practices
- Third-party security
- Third-party terms
- Third-party products

Your interactions with third parties are governed by their respective terms and policies.

---

41. App Store Terms

If you download UniConvert Kit from an app store, your use may also be subject to the applicable app store's terms and policies.

Where applicable, the app store may have separate rules regarding:

- Payments
- Subscriptions
- Refunds
- Updates
- Distribution
- Device compatibility

These Terms do not replace those platform-specific requirements.

---

42. Updates

We may release updates to UniConvert Kit.

Updates may:

- Fix bugs
- Improve performance
- Add features
- Remove features
- Change supported formats
- Improve security
- Change system requirements

You may need to install updates to continue using certain functionality.

---

43. Data and Device Requirements

Some features may require:

- Internet access
- Sufficient storage
- Sufficient RAM
- Supported operating-system versions
- Compatible hardware
- Access to device files

Large media-processing operations may consume significant CPU, memory, battery, and storage resources.

---

44. Background Processing

Some utilities may support background processing.

Background processing may depend on operating-system restrictions.

The application cannot guarantee that a background task will always run continuously or complete within a specific period.

The operating system may:

- Pause processing
- Terminate processing
- Restrict background execution
- Restrict notifications
- Limit available resources

---

45. Notifications

UniConvert Kit may send local or remote notifications related to:

- Completed processing
- Failed processing
- Background tasks
- Subscription status
- Service-related information

You can control notification permissions through your device settings where supported.

---

46. International Use

UniConvert Kit may be available internationally.

You are responsible for ensuring that your use of the Service complies with the laws applicable to you.

Certain features may not be available in every country.

---

47. Export and Legal Restrictions

You must not use the Service in violation of applicable export-control, sanctions, or other international trade laws.

You are responsible for determining whether your use of the Service and processed content complies with applicable regulations.

---

48. Governing Law

These Terms shall be governed by the laws applicable to the operator of UniConvert Kit, except where mandatory consumer-protection laws provide otherwise.

If required, disputes will be handled by the courts or dispute-resolution mechanisms having appropriate jurisdiction.

Operator jurisdiction:
Manato Studio

Operator legal name:
NGUYEN THE BAC

---

49. Dispute Resolution

Before initiating formal legal proceedings, we encourage users to contact us and attempt to resolve the issue informally.

Please contact:

Email: nguyen.the.bac.vn@gmail.com

We will make reasonable efforts to understand and address legitimate concerns.

---

50. Severability

If any provision of these Terms is determined to be invalid, illegal, or unenforceable, that provision will be interpreted or modified to the extent necessary to make it enforceable where permitted by law.

The remaining provisions will continue in effect.

---

51. No Waiver

Failure to enforce any provision of these Terms does not constitute a waiver of our right to enforce that provision in the future.

---

52. Entire Agreement

These Terms, together with the Privacy Policy and any additional terms presented for specific features or purchases, constitute the agreement between you and UniConvert Kit regarding your use of the Service.

---

53. Changes to These Terms

We may update these Terms from time to time.

When material changes are made, we may provide notice through:

- The application
- Website
- Email
- Other reasonable communication methods

The updated Terms will become effective on the date specified in the updated document.

Your continued use of the Service after the effective date constitutes acceptance of the updated Terms to the extent permitted by applicable law.

---

54. Contact Us
