Hello Fontana Families,

We are excited to share that we will be partnering with CA Counseling of Williams Bay, WI as part of our mental health grant. This partnership will support our overall wellness goals by having professionals from CA Counseling visit our classrooms, weekly, to reinforce our school-wide skill development. The classroom activities will include team building and further teaching of important life skills such as empathy, problem-solving, goal setting, how to manage relationships and social conflict to name a few!

We are excited to continue to build our community partnerships at Fontana School to support our goals to educate every child academically, socially, and emotionally. If you have any questions, concerns, or would like more information, please feel free to contact the School Social Worker, Nikki Christensen (nchristensen@fontana.k12.wi.us, 262-275-6881 ext. 219) or the Principal, Steve Torrez (storrez@fontana.k12.wi.us, 262-275-6881 ext 205). Thank you!
