

# "Mum, I'm going out"

"See you!"

"Au revoir!"

"Adios!"

"Bye!"

"Out? Where? With who? Who will pick you up? Who will drop you off? What time will you come home? Every day is out out. Is this a house or hotel? How much money will you spend? Uff lele... No time for your parents. Only going out. When I die, then you will know."
