Unit Number, Production Name	Name of person undertaking recce: :	Location: Harry Wilton's House	Contact Email:
Considerations		Details	
Access, Permissions and Security:		We have permission to film at location and everyone has easy accessibility (bus/train/car). Normal house security	
Access to power, Lighting, charging points:		Full access to plug sockets - 4 plug sockets in the living room and in the kitchen. Okay lighting but we have panel lights anyway	
Noise and sound quality on location:		Quiet as we will be inside but we don't need good sound as it will be a voice over	
Public places - crowds? Any activities that might disturb filming?		It is not in public so there is no crowds but there is a dog in the house which could be disrupting	
Weather conditions/shelter/ light quality		We will be inside so it doesn't matter	
Welfare of Cast and Crew on Location: <ul style="list-style-type: none"> • First Aid • Emergency procedure • Food and Drink • Toilets 		I have plasters and a phone and toilets and running water. We will bring our own food.
