

A long time ago in a galaxy far, far away....

Sins of the Past

Episode IV

A New Threat

It is a period of unrest. Though the Arconan fleet returned victorious from Nancora, strife and turmoil has enveloped the once-peaceful Selen.

Amongst the simmering whispers of conspiracy and revolt that plague the CITADEL, rumors have started of an ORGANIZED RESISTANCE, dedicated to exposing the Force users of Arcona who have so long hidden in plain sight.

Determined to squash the rumors, and keep Arcona's long-held secrets secure, the head of the Dajorra Intelligence Agency has set out to track down the rumors' source and silence them once and for all....
