

Don't Miss Christmas 2025
Gift Ideas for Holiday Joy & Gifts You Can Receive

*Here are 8 November Christmas ideas that will help you plan to not miss holiday joy. **Visit the Red Brick Church and we will give you a gift.***

It's easy for the holidays to go quickly amid a flurry of activity leaving us feeling down because we never stopped and soaked in the joy of the season. Once you wake up on January 2, there isn't much you can do about the holiday blues other than attempt to scrape a half inch of ice off your windshield.

But in November there is time to take action. Here are 8 "less than a minute video ideas" that will help you *enjoy* the holiday season.

1. [Teach children to sing and enjoy hearing them](#) - Children will learn Christmas songs in Sunday School.
2. [Read the Christmas Story](#) - The Bricks will give you a Bible!
3. [Learn from Jamie how to give the favorite gift.](#) Jamie Brauns wants to be known as a great grandma. This video shares one of the ways she shamelessly tries to buy favor.
4. [Know how to build joy](#) - Advent Calendars are fun for families (and we have a few to give to visitors).
5. [Read an advent devotional](#) - We have extra devotionals at the Red Brick Church. And here is [an affordable option](#) you can buy online.
6. [Unpack forgiveness](#) - Families are often messy. We head into Christmas wondering how we can find our way through awkward relational dynamics. Pastor Chris Brauns's book *Unpacking Forgiveness* helps people find their way through complex questions and deep wounds.
7. [Give simple thoughtful gifts](#) - We have presents and a Christmas Gift Exchange! We would like to give you a gift and you can give gifts too.
8. [Start a fire](#) - Christmas Eve is special. Be our guest at 4:00 PM.
