

Commissions

Terms of Service

2025

By purchasing any artwork from me, you automatically agree to these following terms. Please read carefully, as I will deny your commission if it does not correspond with my terms of service. These terms are subject to change at any time. If you have any questions or concerns, feel free to ask though notes either on my FA or DA or IB

- I have a right to decline a commission for any reason, especially if it goes against my terms and morals.
- Please remain patient. I do not tolerate being rushed. If you order from me you must be willing to wait, I will not make you wait unreasonably, but I am a busy person. If you rush me I will decline your commission immediately. Keep in mind I will sometimes work fast, but this is not always the case under specific circumstances!
- NSFW commissions are only available on my FA and IB and are only for those 18 years and older!
- You may NOT use the artwork for commercial purposes unless otherwise agreed upon.
- You have the right to use your commission for any personal use you want (avatars, wallpapers, icons, profile pictures, upload it to your own personal galleries with credit given, etc.) just as long as it isn't for commercial use or you claim you created the artwork.
- Always pay me before I start the commission.
- **I will always show a WIP sketch of the ordered commission to be sent for approval. PLEASE NOTE: despite this, constant changes are not tolerated. I am willing to make changes if important but I have limits.**
- **Only 3 small edits in the sketching stage only, anything larger than that such as pose changes, will incur extra fees.**
- Please only pay when I have told you to.
- If you no longer want the commission and/or wish to pull out of the order when I have already started it, depending on how far I am with completing it, you will only receive part of your money back. **This includes me cancelling the commission if I deem it necessary.**
- If you are unsatisfied by the completed commission I will NOT offer a refund but will work with you on how to fix any SMALL issues. **WITHIN REASON!**
- **I do NOT condone harassment! If you attempt to harass me in any way, then I will cancel your commission and you will receive NO refund. This includes any sexual acts against me! I am a human being and should not be spoken to in a sexual manner by anyone!**
- **I am not your friend. I do not know you and if you contact me for a commission please keep it professional. I will not be speaking to you on Telegram or anything similar, please keep our communication to notes on Inkbunny, Deviantart or Furaffinity.**
