Lesson Proper	Duration	Activities	
Friday Routine exercise/ Dynamic Stimulator	5 minutes	Start the class with a fun and energetic exercise routine to get the students moving and engaged, setting a positive tone for the lesson.	
Current Health News and Sharing	5 minutes	Discuss a relevant health news topic to students related to sexual and reproductive health to engage students and encourage them to share their thoughts and opinions. One engaging topic related to sexual and reproductive health toward students could be the importance of understanding and respecting personal boundaries. This can incorporate discussions on consent, body autonomy, and healthy relationships. By emphasizing the significance of communication and mutual respect in friendships and interactions, students can learn how to navigate social situations with confidence and empathy. Encouraging open conversations and creating a safe space for students to share their thoughts and opinions can empower them to make informed decisions and develop healthy attitudes towards themselves and others. Remember, fostering a supportive and inclusive environment is key to promoting positive health outcomes and building a foundation of respect and understanding among students.	
Health Session	30 minutes	Introduce the topic of sexual and reproductive health, emphasizing the importance of understanding and respecting one's body. Slogan Creation and Jingle Writing (20 minutes): <ul style="list-style-type: none">• Divide students into pairs or small groups.• Task each group with creating a catchy slogan or jingle related to expressing love.• Provide examples and tips on effective slogan and jingle writing.• Encourage students to consider different target audiences and emotions they want to evoke.• Set a timer for brainstorming and writing sessions.
