

SCIENCE TECHNOLOGY ENGINEERING ART & MATH

North Chatham STEAM Wishlist

Thank you to our community collecting and gathering items for our class, we are managing to keep a really well-stocked maker space open for innovative creations.

Top Priorities for upcoming activities:

- Chicken egg incubator (to borrow or own)
- Clear 8oz solo cups
- Clear colorless cylinder 2-liter bottles
- Shaving cream (for slime)
- Liquid food coloring
- Contact solution (slime)
- Clear liquid glue (slime)
- Baking soda
- Pennies (for out foil boats)
- Seeds- sugar snap peas

Useful Resources For Steam Classroom And Activities:

- Pump soap for classroom sinks (hand wash stations)
- Paper towels
- [Containers for supplies](#)
- [Containers for project kits](#)
- Things on the [Amazon Wishlist](#)

- Gallon Ziplock bags
- 2-Gallon Ziplock bags
- Sandwich Ziplock bags

Items can be dropped off at the school Monday-Thursday and left at the front office.
Please label for STEAM 😊

STEAM Garden:

Seeds:

We are on a hunt for **native persimmons, pecans and pawpaws** that students can extract seeds from and plant.

We will happily take any seed donations for our school garden.

Donations for Consumables and Classroom Purchases

If you would like to contribute towards Potting Soil, Scrap Exchange purchases, or our materials fund, you can donate to the PTA towards STEAM budget through the [PTA Paypal link](#) or by mailing a check to:

North Chatham Elementary PTA
3380 Lystra Rd.
Chapel Hill, NC 27517

Please write or type “for STEAM” if making a donation for the STEAM class.

Thank you ALL so much for the support and contributions to our STEAM class! The students really appreciated how stocked our maker space is (they LOVE using the cardboard tubes in their building projects), and they have enjoyed building with all of our building materials!

Sincerely,
Marianne Maschal
