

# **Supply List**

# Paint Medium – Choose One Only

Please choose one type of paint medium to work with for this class:

- Acrylics
- Watercolors

Do not purchase supplies for more than one paint type. Watercolor supply information appears after the Acrylic/Oil section below.

# If you choose Acrylics:

Paint Colors - Choose Acrylic Paints

You will need six 2-ounce tubes of paint in the following colors:

- Titanium White Bright white (like typing paper)
- Cadmium Yellow Yellow (like a lemon)
- Naphtol Red Bright red (like a fire engine)
- Phthalo Green Dark green (like a cucumber)
- Ultramarine Blue Deep blue (like a night sky)
- Mars Black or Ivory Black

#### **Brushes**

Brushes may be made from natural hair or synthetic fibers. Natural hair is preferred, but synthetics are widely used and more affordable.

Recommended brush types:

- Small round brush (comes to a point)
- Medium flat brush (square top)
- Filbert brush (great for blending)
- Large wash brush

Tip: Sets may be more cost-effective and offer a variety of sizes.

### **Canvas Options**

• Use canvas boards or panels – total of six canvases or panels

Average size: 9 inches by 12 inches

### Additional Supplies (Acrylic)

- Standard-size palette knife
- Roll of wax paper
- Painter's tape
- Two plastic or paper cups
- Roll of paper towels

# If you choose Watercolors:

Paint Options - Choose either:

- A set of watercolor pencils, or
- A set of watercolor paints (in small tubes)

#### **Watercolor Brushes**

Watercolor brushes are designed to hold water and paint efficiently. You can purchase brushes individually or as a set.

#### You should have:

- At least one very small brush (comes to a point)
- Three to four additional brushes in small, medium, and large sizes (based on your paper size)

### Examples:

- Spotter brush
- Rigger brush
- Round brush
- Flat brush
- Mop or oval brush
- Large wash brush

#### Note:

- Best quality: Sable brushes
- Budget-friendly: Synthetic fiber brushes (made from polyester or nylon)

### **Watercolor Paper**

Use watercolor blocks or pads (about 15 sheets) in one of the following sizes:

• 4 inches by 6 inches

- 6 inches by 9 inches
- 9 inches by 12 inches

# **Additional Supplies (Watercolor)**

- Watercolor palette or well
- Painter's tape
- Two plastic or paper cups
