

Lunch Mentoring Session

Pick a lunchbox, find your mentor (they have name tags). Ask-them-anything while having lunch! After 20 minutes, rotate to a second mentor.

Potential questions: What/where did you study? How do computer science studies look like? What is your daily job? How is doing a PhD? When did you learn to code? Do you enjoy coding?...

French speaking mentors are marked in blue. Professors are marked with italics.

Mentee surname	Mentee	School	Mentor 12:30-12:50	Mentor 12:50-13:10
