

PRIVACY POLICY

Last Updated: Jun 25, 2026

INTRODUCTION

This Privacy Policy describes how **4thirteen** collects, uses, and shares information when you use our mobile application, **Table Game**. We are committed to protecting your personal information and your right to privacy.

INFORMATION WE COLLECT

To provide a functional experience and support the App through advertising, we may collect or access the following information:

- Location Data: The App may access your device's location to provide location-based advertisement services.
- Mobile Identifiers: We may collect non-personal information such as your mobile advertising ID (e.g., Google Advertising ID) to show relevant ads.
- Usage & Log Data: We may collect information on how the App is accessed and used, including device information, IP addresses, and crash reports.

3. THIRD-PARTY SERVICES

The App uses third-party services that may collect information used to identify you. These providers help us display advertisements and analyze app performance. We recommend reviewing their privacy policies:

- Google Play Services & AdMob: <https://policies.google.com/privacy>

4. DATA USAGE

We use the collected data for the following purposes:

- To facilitate the delivery of relevant advertisements.
- To monitor and analyze usage and trends to improve user experience.
- To detect, prevent, and address technical issues or errors.

5. YOUR CHOICES

You can manage your privacy preferences through your device settings. You may opt-out of interest-based advertising or reset your advertising ID via:

Settings > Google > Ads.

You may also revoke location permissions at any time through your device's App Permissions menu.

6. SECURITY

We value your trust in providing us your information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable.
