

# McKinney ISD Fine Arts

## Student / Parent Instructions for Rank One Forms

This summer we received notice that all McKinney ISD students involved in a Fine Arts program must complete three required forms in Rank One. You have already completed these forms through Google, but they must be completed again through Rank One. We apologize for the inconvenience and appreciate your timely attention in completing these forms.

We have also been notified that there are 2 different sections/sides of Rank one (athletics and fine arts) that do not collaborate functionally. *Not knowing this previously, I accidentally sent out the wrong links last week. I take ownership for that and sincerely apologize for this.*

If you have entered Rank one previously thinking it was for band and did not see an option for Band or Marching, you were in the athletic side and must now refill out the forms on the fine arts side for it to register complete on our system.

**This unfortunately means that all band students in Athletics will have to fill out the forms a second time on the fine arts side in order to be able to participate in both activities.**

If your name is checked on the latest forms list then you are good for rank one on the fine arts side: [FORM LIST](#)

Here is the easiest solution we could find to help you out in getting these forms filled out correctly. A direct link to each electronic form on the fine arts side is below.

[Co Curricular / Extra Curricular Contract](#)

[Random Student Drug Testing](#)

[MISD Emergency Contact Form](#)

***ALL three Rank One forms must be signed and completed before a student may participate on Monday, July 26th.***

*\*Please note that all information must be completed on the form (including the Notification Email) before it will allow you to click Submit.*
