The Garrard County High School Lady Lions soccer team will be hosting our fourth annual youth soccer camp this Summer. Campers will get to work on soccer skills with the coaching staff and players, play in scrimmages against each other, and compete in specific soccer skill competitions with a chance to win prizes/awards. Campers will be receiving a free t-shirt, complimentary snack both days, and a unique experience to be coached by former collegiate soccer players who have 20+ years of experience with the game of soccer.

When paying, make sure you turn the money in at the SAME TIME you are turning in the registration form. If you pay with a **check**, it needs to be made out to "Garrard County High School Girls Soccer" and you can put "Soccer Camp" on the memo line.

If you are signing up **multiple campers** and using a sibling discount, make sure you have filled out a separate form for each camper and have the money attached with all registration forms.
