- ○ Fundraiser- Navigator Relay
  - ■ Brought in $18K Paid about $1500 towards run it and rewards, ¼ went to sunshine fund, ¼ went to each grade level and will help fund their field trip. Funds a little less than last year. Made $40K last year and the company took all but $18K but this year everything we made, we kept. The kids had a lot of fun and next year we will continue on the path of keeping the money all in house. Chelsea asked about online payment options for next time; online payment options were considered but companies charge a high percentage. Will share with students where the money is going for next year.
