Dear Families,

Welcome to LCS intramurals 2025-26!! Intramurals is an extension of the LCS physical education program, and the main goal is to have fun in a great environment. Please find the registration form on the last page if you are interested in participating.

**WE MUST HAVE A MINIMUM OF 14 STUDENTS REGISTERED TO HOLD
INTRAMURALS ON THAT DAY. IF WE DO NOT HIT THE MINIMUM, THAT DAY
WILL BE CANCELED AND CHECKS REFUNDED**

Each season will have six sessions per day of the week (M, T, Th, F), and each session will run from 3:45-4:45; Mondays (grades 1, 2 and 3), Tuesdays (grades 3, 4 and 5), Thursdays (grades 1, 2 and 3) and Fridays (grades 3, 4 and 5). If you have a scheduling conflict or require a specific day, email me and we will work it out. Our limit for participants is **25** students per day.

Fee: \$75 per season, one specific day of the week for 6 sessions.
Make check payable to: Liberty Corner Elementary School.

If space allows, your child may register for multiple days of week (grade appropriate) in a season. Each extra day of the week is an additional fee of \$75. Any questions please email me.

Please remember to include your email address on the registration form. Please place your check (no cash please) and your child's registration form in an envelope marked "Intramural Program" and return it to your child's teacher. It would be very helpful if you emailed me as well to confirm that you've sent in your registration, thanks!

****Attendance will be taken at each daily session. If your child is *in school and will not be attending his/her regularly scheduled session*, a note to teacher or e-mail to me, to that effect is required and appreciated. If your child is scheduled to attend intramurals and does not go to his/her session, we will be obligated to call home and then call emergency numbers. **Children are to be picked up after intramurals promptly at 4:45.** Pick-up is at the back of the gymnasium. The line forms on the curb closest to the gymnasium. In fairness to others, children who are signed up must attend sessions to keep their spot. Please keep this page for schedule, and rules for participation for your records. Activities for the intramural program will include: Cooperative games, group challenges, problem-solving activities, sports, winter snow activities....and lots of FUN!!**

Intramural Program Rules and Procedures

1. Sneakers and proper attire must be worn to participate.
 0. Intramural participation is a privilege and children are to demonstrate the same behaviors expected in their Physical Education classes.
 0. If a student is in school, he or she is expected to attend intramurals on the day they are registered. If for some reason they are not able to attend, a note or email from home is required stating that the student will not be attending intramurals. Please explain to your child that he or she is required to go to intramurals unless they have a note. We must account for all students who are expected at our intramural program. Also, if your child is absent from school, he or she cannot be brought to school for intramural participation on that particular day unless permission is granted by Dr. Oliver or Mrs. Lawrence.
 0. If your child will be carpooling, walking or riding a bike, please provide written permission to do so. One note will suffice for the duration of the season. Whenever your child's dismissal procedure is changed, a written request from the parent is necessary.
 0. Students will be dismissed from intramurals promptly at 4:45. Any child that is picked up late or does not attend when scheduled, without excuse, may lose their privilege to attend.
 0. If a student is medically excused from Physical Education class, they are also medically excused from intramurals.
