Show-and-Tell

Dear families,

Part of your child's education here at TPS will be learning how to speak in front of an audience. We will begin learning this skill with a weekly "show-and-tell" time. This will be a great way for your child to share something with the class, while acquiring the skill of public speaking. Your child's share day is on the dates listed below. Your child may bring something they love to show to the class. During their presentation, your student will be asked to introduce themselves, explain what their item is and tell the class why they brought it to share. They will then have the opportunity to answer questions from their classmates. At some point during the year, your child will be asked to fill out an "All About Me". I look for someone each week to earn this as the "Star Student" by showing virtue in the classroom, so the poster is always a surprise each week as to who will fill it out for our class. Each child will share two times with something from home, and once with the poster. If you have any questions, please let me know.

Thank you,

Mrs. McGowan
