

Supply List for Entry North and Entry South Classrooms

What to bring UNLABELED:

- 3 boxes of tissues
- 3 rolls of paper towels
- 2 Bottles of Ms. Meyer's soap (pump dispenser, NOT antibacterial and NOT foaming)
- 4 white wash clothes
- 2 packages of baby wipes
- 1 package of watercolor paper

What to bring LABELED:

- 2 changes of clothes (including socks)
- 4-5 pairs of underwear (if needed)
- 1 extra pair of shoes (Velcro)
- 1 package of diapers (if not in underwear)
- **2 current close-up 4x6 or smaller photos of your child ASAP**
- Optional - 1 small (3X5 or 4X6) photo album that contains labeled pictures of family, pets, friends, home, etc...

If your child stays for lunch:

- Please provide utensils if needed and containers that are easy to open

If your child naps:

- 1 child-sized blanket
- 1 crib sheet (Due to limited storage space, please do not send pillows.)

If your child is still in diapers:

- You will be notified in advance when your child needs additional diapers.

While your child is toilet training:

- We use heavy cloth training pants, not pull-ups. Please send at least six of these for class time, labeled.

What NOT to bring:

- ★ Water bottles. We provide filtered water.
- ★ Crotch snapping garments
- ★ Toys
- ★ Boots (cowboy or rubber)
- ★ Overalls
- ★ Pull-ups
- ★ "Sippy" cups
- ★ Flip-flops or shoes without backs

To promote self-confidence and independence, we encourage the child's participation in self-care. Snap crotch garments, overalls, belts, lace-up shoes, or clothes that are too tight are very frustrating and set a child up for failure. We suggest elastic waistband pants, underwear that is one to two sizes too big, and slip-on shoes.

Wish List: Sandbox toys, balls (for playground), white or black cardstock paper, sticker sheets, washable paint, washable dot markers, and pony beads.
