Weekly Bulletin | September 4, 2023
SHELBYVILLE HIGH SCHOOL

Shelbyville High School is serving as a stop for Detective Rich Wistocki's auditorium tour on **Wednesday, September 6th**. For those of you who think that these topics don't apply to you, or to your child, please reconsider. Be prepared to have a conversation at home about the information covered during this student assembly. Topics will include:

- Cyber-bullying
- No one online is anonymous
- How to report a cyber crime
- Being careful what you say online
- Dangers of social media platforms like TikTok, Instagram, and Snapchat
- How an internet investigation is conducted
- Laws that cover social media harassment, cyber-stalking, sextortion, and false impersonation
- How your digital footprint will affect your future

QUOTE OF THE WEEK

Great people talk about ideas. Average people talk about things. Small people talk about other people.

Wednesday, September 9, 2023 is the LAST DAY to SIGN UP for **MATHLETES.** Talk with Mrs. Banfield, Mrs. Tomlin, or Mrs. Krumreich if you are interested.

ATTENDANCE GOAL FOR ALL STUDENTS | **95% FOR THE SCHOOL YEAR**

95% attendance ratio is equal to 8 days or less missed for any reason

---

Are you a senior that is interested in a career as a court reporter? Check out this tuition free training program (in exchange for a 2 year employment contract). We would love to put you in touch with Jaclyn Getz, Official Court Reporter for the State of Illinois. Talk to Mr. Ladd if you are interested.

CRS flyer.pdf

We have secured a date with Birkey's for the Farm Bureau Drivers Ed Large Equipment Safety Day! All freshman students will take part in this event. Shuttle buses will transport students after all have been dismissed via intercom. **This year's event will take place at the Shelby County Farm Bureau office and 4-H Fairgrounds on Tuesday, September 5th from 9:00am - 11:00am.**

The day will be set up similarly to how we have operated in the past. The entire group of students will be split into groups to visit different stations where young leaders, farmers and implement operators will be addressing important information for drivers to be aware of. Some of the key topics will include: Semi Safety when approaching large equipment on the road, blind spots with large equipment, SMV vehicles, closing time, perception of distances, meeting large equipment on major roads vs country roads, and distracted driving. If you have any questions, please reach out to either Mr. Ladd or Mr. Rothrock.

The moms of current junior (grade level) students will be having a POST PROM meeting on October 5, 2023, in the high school cafeteria. If you are willing to help out, please consider attending this meeting at 6:30pm.
