

World's Finest Chocolate Fundraiser Safety Reminders and Procedures:

1. Please focus on selling to family, friends, close acquaintances and others that you have regular contact with. We request that you not sell door to door in light of current health concerns.
2. We encourage contact via voice call, text, email, Facebook, etc. for pre-orders before delivering chocolate to limit those who are in physical contact with your items and in close proximity to you for that period of time.
3. If you are selling from your box, please ask that shoppers look and not touch your items. You should be the only person with your hands in your box.
4. Please wear a mask or face covering and observe social distancing recommendations when possible during fundraising activities.
5. Please sanitize or wash your hands before and after sales/ deliveries and any time you are in contact with payments (cash or checks).
6. Once your box has been completely sold, please count your payments. The total should be \$60. Make sure all checks are made payable to Natcher PTO.
7. Be sure to fill out the front of the fundraising envelope completely with your child's first and last name, grade, homeroom teacher and the total amount enclosed-- should be \$60.
8. Seal the envelope completely. If you are including coins, we suggest sealing the envelope inside a ziplock bag to prevent potential ripping and loss of contents.
9. If you would like to receive a new box of chocolate to continue fundraising, please sign the envelope on the line provided before returning it to school. * If you have finished fundraising and do not want another box, please leave the line blank.*
