

THE UNIVERSITY OF BRITISH COLUMBIA
Curriculum Vitae for Faculty Members

Date: December 27, 2022

Initials:

1. **SURNAME:** HARRIS **FIRST NAME:** Susan
MIDDLE NAME: Richardson
2. **DEPARTMENT/SCHOOL:** Department of Physical Therapy
3. **FACULTY:** Medicine
4. **PRESENT RANK:** Professor Emerita **SINCE:** July 1, 2008
5. **POST-SECONDARY EDUCATION**

University or Institution	Degree	Subject Area	Dates
Russell Sage College-Albany Medical College, Troy, New York, USA	B.S.	Physical Therapy	1965-1969
University of Washington, Seattle, WA, USA	M.Ed.	Special Education	1976-1977
University of Washington, Seattle, WA, USA	Ph.D.	Special Education	1977-1980

Special Professional Qualifications

October 1990 - present	Registered Physical Therapist - British Columbia
November 1987 - 1990	Registered Physical Therapist - Wisconsin
November 1973 - present	Registered Physical Therapist - Washington

6. **EMPLOYMENT RECORD**

(a) *Prior to coming to UBC and current adjunct appointments*

University, Company or Organization	Rank or Title	Dates
University of Wisconsin-Madison, USA	Associate Professor of Physical Therapy & Affiliate Associate Professor of Pediatrics	July 1987 - August 1989
Department of Pediatrics, University of Washington, USA	Research Assistant Professor	Sept. 1984 - July 1987
Department of Rehabilitation Medicine, University of Washington, USA	Assistant Professor	July 1981 - Sept. 1983
Department of Rehabilitation Medicine, University of Washington, USA	Instructor	March 1980 - July 1981

(b) *At UBC*

Rank or Title	Dates
Professor Emerita, Department of Physical Therapy	July 1, 2008 - present
Professor, Department of Physical Therapy	July 1, 2007 - June 30, 2008
Professor, School of Rehabilitation Sciences	July 1, 1994 - July 1, 2007
Associate Member, Department of Pediatrics	April 1, 1991 - present
Associate Professor, School of Rehab. Sciences	Sept. 1, 1990 - June 30, 1994

(c) *Prior Adjunct Appointments*

University, Company or Organization	Rank or Title	Dates
Child & Family Research Institute, Vancouver, BC	Senior Associate Clinician Scientist	2005 - 2007
Department of Orthopedic Surgery and Rehabilitation, MCP Hahnemann University, Philadelphia, Pennsylvania	Adjunct Associate Professor	1989 - 1998

(c) *Date of granting of tenure at U.B.C.:* August 15, 1990**7. LEAVES OF ABSENCE**

University, Company or Organization at which Leave was taken	Type of Leave	Dates
University of British Columbia	Medical leave/long-term disability (breast cancer)	June 1, 1998-June 30, 1999
University of British Columbia	Study leave/sabbatical	Jan. 1 - Dec.31, 1996
University of British Columbia	Study leave/sabbatical	Sept. 1, 2003 - Aug.31, 2004

8. TEACHING(a) *Areas of special interest and accomplishments*

Pediatric neurology
 Pediatric musculoskeletal
 Research design/methodology/systematic reviews
 Breast cancer rehabilitation

(b) *Courses Taught at UBC*

Session	Course Number	Scheduled Hours	Class Size	Hours Taught			
				Lectures	Tutorials	Labs	Co-Teach /Coordinate
1991-92 (II)	RHSC 302	42	70	2			40
1991-1995 (II)	RSPT 308	42	35	6			
1991-2002 (I)	RSPT 314	26	35-40	10		16	
2002-2003 (II)	RSPT 413	39	35-40	39			39
1990-92 (I/II), 2000 (I/II)	RSPT 415	N/A	1-6				60
2005 (IV)	RSPT 532	39	40	8	8	8	12
2006 - 2007 (IV)	RSPT 532	39	40				39
2005 - 2008 (IV)	RSPT 546	39	40		12		39
2006-2008 (IV-VI)	RSPT 572	26	40	8			18
1995-1998 (II)	RHSC 402	3	36	18			
1991-93,1997/2001 (II)	RSPT 445	12	8 - 10	12			
1993-2002	RHSC 500	39	4 - 7	15			24
1993-present (I/II)	RHSC 504	N/A	1-2				20
1993-94 (II)/1995-96/II	RHSC 520	39	4	3			36

(c) Graduate Students Supervised

University of British Columbia

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Stacey Miller	MResc in Rehab Sciences	2012	2014	S. Harris	K. Mulpuri
Courtney Hilderman	MResc, Rehab Sciences	2013	2015	N. Virji-Babul	S. Harris L. Holsti R. Pritchard
Jill Zwicker	PhD, Rehab. Sciences	2006	2010	S. Harris & L. Boyd	C. Missiuna
Marylyn Horsman	M.Sc., Rehab. Sciences	2003	2009	S. Harris & M. Suto	B. Dudgeon
Amelia Payne	M.Sc., Rehab. Sciences	2006	2009	D. MacIntyre	S. Harris W. D. Reid C. Palmer
Bryn Askwith	M.Sc., Rehab. Sciences	2002	2007	S. Harris	C. Backman T.G. Hislop C. Kim-Sing
Leanna Lee	M.Sc., Rehab. Sciences	2003	Withdrew in 2007	S. Harris	C. Backman V. Hayes
Tanja Fuchs (Mayson)	M.Sc., Rehab. Sciences	2004	2006	S. Harris & C. Backman	V. Hayes
Kim Keays	M.Sc., Rehab Sciences	2002	2006	S. Harris	J. Lukyshyn D. MacIntyre
Andrea Petryk	M.Sc., Rehab Sciences	2000	2006	S. Harris	L. Jongbloed, R. Hewat
Patricia Mortensen	MSc, Rehab Sciences	1999	2003	S. Harris	G. Hahn L. Jongbloed
Christine Imms	MSc, Rehab Sciences	1996	1999	S. Harris	A. Carswell G. Sandor
Karen Koseck	M.Sc., Rehab Sciences	1996	2000	S. Harris	A. Carswell R. Schutz

Antoinette Megens	MSc, Rehab Sciences	1996	1999	S. Harris	C. Kim-Sing D. McKenzie
Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Kathryn Junaid	M.Sc., Rehab Sciences	1994	1998	S. Harris	A. Carswell A. Fulmer
Mary-Anne Fulks	M.Sc., Rehab Sciences	1993	1996	S. Harris	L. Jongbloed L. Daniels
Lauren Roxborough	M.Sc., Rehab Sciences	1993	1996	S. Harris	R. Armstrong A. Belcastro
Tyler Dumont	M.Sc., Rehab Sciences	1995	1998	D. MacIntyre	S. Harris D. Mackenzie
Beth Ott	M.Sc., Rehab Sciences	1996	2002	J. Eng	S. Harris G. Hahn
Fred Ott	M.Sc., Rehab Sciences	1994	2001	L. Jongbloed	S. Harris, P. Liddle
Andrea Kalda	M.Sc., Human Kinetics	1996	1999	D. McKenzie	S. Harris, K. Coutts
Jill Osborn	Ph.D., Neurosciences	1990	1997	J. Weinberg	S. Harris and others
Liisa Kaye	M.A., Educational Psychology	1990	1992	R. Conry	S. Harris and others
Maria Pighini	M.A., Special Education	1991	1993	S. Rogow	S. Harris and others

University of Wisconsin-Madison

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member (s)
		Start	Finish		
Ronald Andrews	MS, PT	1987	1990	K. Ottenbacher	S. Harris
Kimberly Harbst	MS, PT	1987	1988	K. Ottenbacher	S. Harris
Ana Mulero	MS, PT	1987	1989	S. Harris	Others
Marsha Muller	MS, PT	1986	1989	S. Harris	Others
Carleen Schloemer	MS, OTR	1986	1988	S. Harris	Others
Elaine Tripp	MS, PT	1987	1989	S. Harris	Others

Mohammad Nourbakksh	MS, PT	1987	1989	K. Ottenbacher	S. Harris
Patricia Sharpe	MS, OTR	1987	1989	K. Ottenbacher	S. Harris

University of Washington – Seattle

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Shelly Fields	MS, OTR	1981	1983	S. Harris	Others
Stephen M. Haley	Ph.D., PT	1980	1983	C. Gray	S. Harris and others

MCP Hahnemann University – Philadelphia, PA

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Rachel Unanue	Ph.D.	1996	2002	S. Westcott	S. Harris, R. Palisano, J. Valvano
Lisa Chiarello	Ph.D.	1990	1993	R. Palisano	S. Harris and others

University of Indianapolis – Indianapolis, IN

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Kathy Martin	DHS	2001	2003	E. Domholdt	S. Harris, D. Chapman

University of Melbourne - Melbourne, AUSTRALIA

Student Name	Program Type	Year		Principal Supervisor	Thesis Committee Member(s)
		Start	Finish		
Suzanne Long	PhD	2005	2010	M. Galea	S. Donath, B. Eldridge, S. Harris

Chair, PhD Final Oral Examination – University of British Columbia

Nov. 2017	Samantha Wilson, Department of Medical Genetics
Dec. 2012	Jane Labreche, School of Kinesiology
Nov. 2010	Reem Ali, School of Nursing
April 2009	Jill Etmanskie, Dept. of Psychology
April 2007	Sheila Turriss, School of Nursing
April 2005	Maureen Ashe, Experimental Medicine

University Examiner – University of British Columbia – PhD Defenses

May 2016	Debra Field, Rehabilitation Sciences
Dec 2010	Paula Rushton, Rehabilitation Sciences
June 2010	Marc Roig Pull, Rehabilitation Sciences

April 2006 Bethan Everett, Interdisciplinary Studies
 June 2005 Rami Nadir, Psychology
 April 2001 Frances Legault, School of Nursing
 June 2000 Kara Gabriel, Psychology

(d) *Visiting Lecturer (indicate university/organization and dates)*

- Visiting Professor of Oncology (May 2003)– McGill University, Montreal, PQ
- Visiting Professor (2002 & 2003) – Physical Therapy Department, Univ. of Wisconsin-La Crosse, USA
- Visiting Professor (2001) - Physical Therapy Department, Arcadia University, Glenside, PA, USA
- Visiting Professor (1992) - Department of Physical and Occupational Therapy, University of Puerto Rico, Humacao, PUERTO RICO

9. SCHOLARLY AND PROFESSIONAL ACTIVITIES

(a) *Areas of special interest and accomplishments*

- Early diagnosis of cerebral palsy and other developmental disabilities.
- Efficacy of early intervention for high-risk infants and children with motor handicaps.
- Early identification of cognitive and motor delays in infants at risk
- Single-subject research design.
- Effect of rehabilitation/exercise in women living with breast cancer
- Communication between persons with cancer and their health care providers

(b) *Research or equivalent grants (indicate under COMP if grants were competitive (C) or non-competitive (NC))*

Granting Agency	Subject	COMP	\$ Per Year	Yr.	Principal Investigator	Co-Investigators
Canadian Institutes of Health Research	Prescribing Safe & Effective Exercises for Older Adults after Fracture: A Knowledge Synthesis	C	\$97,417	2008-2009	S. Harris	L. Li D. MacIntyre Reid W. Miller M. Sran A. Hoens M. Westby J. McGowan Tugwell
BC Medical Services Foundation (BCM06-0102)	The Effectiveness of Supported Treadmill Walking on Functional Mobility in School-aged Children with CP	C	\$4,795	2007-2008	R. Beauchamp	T. Mayson S. Harris V. Ward
BC Medical Services Foundation (BCM06-0007)	Effectiveness of a Novel Warm-up in Decreasing Biomechanical and Neuromuscular Risk Factors for ACL Ligament Injury to Female Youth Soccer Players	C	\$48,700	2006-2007	S. Harris R. Celebrini	J. Eng D. MacIntyre W. Miller

Granting Agency	Subject	COMP	\$ Per Year	Yr.	Principal Investigator	Co-Investigators
Physiotherapy Foundation of Canada	Evaluation of Two Modes of Training Community-based PTs, OTs, Infant Development Workers & Nurses to Assess Neuromotor Development in Young Children	C	\$6,423	2006-2007	S. Harris	V. Hayes T. Fuchs A. Synnes D. Cameron D. Brynelson
Canadian Institutes of Health Research	Communication in Cancer Care: The Trajectory of Interaction Between Patients and Health Care Professionals	C	\$70,181	2005-2008	S. Thorne	S. Harris T.G. Hislop C. Kim-Sing Stajduhar J. Oliffe
Canadian Breast Cancer Research Alliance	Effects of Pilates Exercises on Shoulder ROM, Pain, Mood, and Upper Extremity Function in Women Living with Breast Cancer: A Pilot Study	C	\$11,627	2005-2006	S. Harris	K. Keays
Social Sciences & Humanities Research Council	The CHILD Project	C	\$500,000	2003-2007	H. Goelman	S. Harris et al. (one of 18 co-investigators)
National Cancer Institute of Canada	Toward Effective Patient-Professional Communication in Cancer Care	C	\$103,659	2001-2004	S. Thorne	S. Harris T.G. Hislop B. Nelems
The Hospital for Sick Children Foundation	Standardization of the Harris Infant Neuromotor Test	C	\$54,500	2000-2002	S. Harris	C. Backman Hayes
Social Sciences & Humanities Research Council	Interdisciplinary Perspectives on Child & Family Health & Well-being	C	\$48,500	1999-2002	J. Gilbert, H.Goelman & R. Sullivan	S. Harris et al. (one of 10 co-investigators)
National Cancer Institute of Canada	Evaluation of Community-specific Models to Reduce Delay from Abnormal Screening Mammogram to Diagnosis	C	\$276,288	1997-2000	T.G. Hislop	S. Harris et al. (one of 10 co-investigators)
United Cerebral Palsy Foundation	Client-Centered Functional Therapy for Young Children with Cerebral Palsy	C	\$35,805 (US)	1995-1996	G. King	S. Harris (one of 10 co-investigators)

Health Canada	Centre of Excellence in Women's Health	C	\$400,000	1996 - 2002	P. Ballem	S. Harris e (one of 60 co-investig)
Granting Agency	Subject	COMP	\$ Per Year	Yr.	Principal Investigator	Co-Investigators
Kiwanis Clubs of Kelowna	Early Detection of Learning Disabilities in Preschool Aged Children	C	\$9,980	1993-1994	S. Harris	L. Eave M. Fulk
National Institute on Disability and Rehabilitation Research, US Dept of Education	Development of an Infant Neuromotor Assessment Tool	C	\$31,500 (US)	1990-1991	S. Harris	N/A
Washington Association for Retarded Citizens Research Trust Fund	Comparison of Fagan Test of Infant Intelligence and Bayley Scales of Infant Development in Premature Infants	C	\$7,926 (US)	1986-1987	S. Harris	S. Atwat
Physical Therapy Foundation	Predictive Value of the M.A.I. in Early Identification of Cerebral Palsy	C	\$4,760 (US)	1985-1987	S. Harris	N/A
Washington Association for Retarded Citizens Research Trust Fund	Effects of Inhibitive Casting on Motor Performance of Children with Cerebral Palsy	C	\$6,850 (US)	1984-1985	S. Harris	D. Chev K. Hinder K. Jaffe J. McLaugh A. Purdy L. Stahe
National Institute for Handicapped Research, US Dept of Education	Predictive Validity of the Movement Assessment of Infants in Early Identification of Cerebral Palsy	C	\$28,300 (US)	1984-1985	S. Harris	N/A
Washington Association for Retarded Citizens Research Trust Fund	Effects of Neurodevelopmental Therapy on Improving Motor Performance in Down's Syndrome Infants	C	\$4,066 (US)	1979-1980	J. Affleck	S. Harris

(c) *Training Grants (indicate under COMP if grants were obtained competitively (C) or non-competitively (NC))*

Granting Agency	Subject	COMP	\$ Per Year	Yr.	Principal Investigator	Co-Investigators
------------------------	----------------	-------------	--------------------	------------	-------------------------------	-------------------------

Division of Personnel Preparation, Office of Special Education, US Department of Education	“Interdisciplinary Team Training for Physical Therapists”	C	\$222,184 (US)	1985-1988	S. Harris	
Division of Personnel Preparation, Office of Special Education, US Department of Education	“Interdisciplinary Infant Training Program”	C	\$239,901 (US)	1985-1988	S. Harris	

(d) Workshop Planning Grants (*indicate under COMP if grants were competitive (C) or non-competitive (NC)*)

Granting Agency	Subject	COMP	\$	Year	Principal Investigator	Co-Investigator(s)
BC Disability Health Research Network	Planning, Facilitation & Coordination Workshop Grant	C	\$3,429	2007-2008	S. Harris	

External Grant Support as Principal Investigator: \$845,308
External Grant Support as Co-Investigator: \$5.32 million

d) Internal Grants (*indicate under COMP whether grants were obtained competitively (C)/non-competitively (NC)*)

Granting Agency	Subject	COMP	\$	Year	Principal Investigator	Co-Investigator(s)
BC Children’s Hospital Foundation Telethon	Effectiveness of Supported Treadmill Training on Functional Mobility in School-Aged Children with Cerebral Palsy	C	\$10,094	2007-2009	R. Beauchamp	S. Harris T. Mayson V. Ward L. Purves
HELP Project & BC Ministry of Children & Families	The Relationship of Breastfeeding to Cognitive & Motor Development of Children Under 2 Years	C	\$8,280	2004-2006	S. Harris	A. Petryk R. Hewat L. Jongbloed
Earl & Jenny Lohn Foundation -BC Cancer Agency	Identifying & Translating Exercise Preferences of Breast Cancer Survivors Following Treatment	NC	\$5,000	2005-2007	S. Harris	B. Askwith
Faculty of Medicine –	Knowing the Differences: Cultural	C	\$83,200	2001-2003	J. Johnston	S. Harris K. Selby

Special Populations Fund (UBC)	Competence in Early Intervention Programming					A. Kwok M. Namazi D. Cameron
Teaching & Learning Enhancement Fund (UBC)	Development of a Web-Based Resource for Interdisciplinary Health Research Training	C	\$49,690	2001-2002	G. Chapman	S. Harris P. Ratner
Graduate School Research Committee: University of Wisconsin	Inhibitive Casting for Children with Cerebral Palsy	C	\$19,970 (US) (awarded but declined)	1989-1990	S. Harris	G. May S. Heimerl

Internal Grants as Principal Investigator: \$33,250

Internal Grants as Co-Investigator: \$142,984

12. Invited Presentations

July 2016

Past, Present & Future of the STEP Conferences [Co-Keynote with C. Winstein]
IV STEP Conference, Columbus, Ohio, USA

April 2013

Challenging Myths in Physical Therapy: The Story of Abreast in a Boat
[Invited Plenary Session] STEP UP 2013 – Vancouver Coastal Health & Providence Health, Vancouver, BC

November 2012

Evaluating Effectiveness of Care for Children with Developmental Disabilities: Have Developmental Therapies Made a Difference? [Invited Keynote Lecture]
Bloorview Research Institute Symposium, Toronto, ON

March 2012

Challenging Myths in Physical Therapy [Invited Keynote Lecture]
Danish Physiotherapy Congress, Odense, DENMARK

January 2011

Aging with Cerebral Palsy: Biomedical Aspects & Consumer Perspectives
Department of Neuroscience & Pharmacology
University of Copenhagen, DENMARK

May 2010

Listening to Patients' Voices: What Can We Learn?
Barbara C. White Lecture – 2010 Doctor of Physical Therapy Graduating Class
University of Florida, Gainesville, FL, USA

March 2010

Inter-professional Approach to Pediatric Practice: What's in a Name?
[Invited Keynote Lecture]
CE Workshop: Inter-professional Approach to Pediatrics
School of Health & Human Services, Nazareth College, Rochester, NY, USA

January 2010

Developing Case Reports in Clinical Practice [1-day course]
Canadian Bobath Instructors Association, Vancouver, BC

November 2009

Challenging Myths in Pediatric Physical Therapy Practice &

- Making a Case for Case Reports in School-Based Physical Therapy
[Keynote Lectures] Physical Therapy Institute - Exceptional Children Conference
Greensboro, North Carolina, USA
- October 2009 Writing for Publication
[Invited Workshop] Sunny Hill Health Centre for Children, Vancouver, BC
- October 2008 Challenging Myths in the Management of Breast Cancer
[Keynote Speaker] Women's Health Research Symposium
UBC Faculty of Medicine & Women's Health Research Institute
Vancouver, BC
- November 2007 Early Identification of Cognitive and Motor Delays in Infants & Enhancing the Role of Clients in Decision-making and Research
[Keynote Speaker] New Trends for Physical Therapy in the 21st Century
School & Graduate Institute of Physical Therapy
National Taiwan University, Taipei, TAIWAN
- November 2007 Evidence-based Practice: Making a Case for Case Reports
[Invited Named Lecture]
8th Annual Susan Harryman Cerebral Palsy Lecture
Kennedy Krieger Institute, Johns Hopkins Medical Institute
Baltimore, MD, USA
- October 2007 Listening to Patients' Voices: What Can We Learn?
[Invited named lecture]
14th Annual Luiese Lynch Lecture, U. of Oklahoma Health Sciences Center
Oklahoma City, OK, USA
- October 2007 Challenging Myths in Health Care: The Story of "Abreast in a Boat"
[Invited plenary session speaker]
American Academy for Cerebral Palsy & Developmental Medicine
Vancouver, BC
- August 2007 Evidence-based Practice in Pediatric Physical Therapy [Keynote Lecture]
Differential Diagnosis of Congenital Hypotonia [Plenary Session]
Theory and Evidence: Putting it Into Pediatric Rehab Practice
Glenrose Rehabilitation Hospital, Edmonton, AB
- April 2007 Listening to Patients' Voices: What Can We Learn?
The Mary Jane Stickney Mann Lecture [Distinguished Lecture]
Russell Sage College, Troy, NY, USA
- April 2007 The Dragon Boat Adventure: Exercise, Teamwork & Joy
William Bliss Cancer Center Conference [Keynote Lecture]
Mary Greeley Medical Center, Ames, Iowa, USA
- November 2006 Evidence-Based Practice

- 9th Annual Conference on Advanced Clinical Practice in Pediatrics
 APTA Section on Pediatrics [Invited Speaker]
 Bellevue, WA, USA
- October 2006 Breast Cancer Rehabilitation (with B. Askwith & K. Keays)
 Women's Health Symposium –UBC & PABC [invited Speaker]
 Vancouver, BC
- October 2006 Exercise after Breast Cancer Surgery & Lymphedema
 BC Cancer Agency Teleconference
 Vancouver, BC
- September 2006 III-STEP: Setting the Stage for the Future
 Alumni Conference [Keynote Lecture]
 University of Puget Sound, Tacoma, WA USA
- June 2006 Listening to Patients' Voices: What Can We Learn?
 Enid Graham Memorial Lecture, Canadian Physiotherapy Congress
 St. John, NB
- March 2006 Challenging Myths in Physical Therapy: The Story of *Abreast in a Boat*
 Annual Distinguished Speaker – Department of Physical Therapy
 St. Louis University, St. Louis, MO, USA
- February 2006 III-STEP Revisited: Implications for Pediatric Practice
 Combined Sections Meeting – APTA, San Diego, CA, USA
 (Invited educational program with Drs. D. Umphred, I. McEwen & C. Winstein]
- November 2005 Evidence-based Practice: Making a Case for Case Reports
 Canadian Physiotherapy Association National Teleconference (invited)
- Sept. 2005 The Dragon Boat Adventure – Exercise, Teamwork, and Joy!
 Women's Cancers 2005: Merging Science and Care
 The Mayo Clinic, Rochester, MN [invited keynote lecture]
- Oct. 2005 Health Care from the Other Side: One Patient's Experience
 National Oncology Pharmacy Symposium: 2005
 Vancouver, BC [invited keynote lecturer]
- July 2005 Setting the Stage for the Future & Where Do We Go from Here?
 III-STEP: Linking Movement Science & Intervention
 Salt Lake City, UTAH [opening & closing keynote lectures]
- May 2005 Challenging the Myth of Exercise-Induced Lymphedema after Breast Cancer
 Physical Therapy Department 10th Jubilee – Sor-Trondelag University College
 Trondheim, NORWAY [invited keynote lecture]
- April 2005 Health Care from the Other Side: One Patient's Perspective
 The Third Annual Don W. Wortley Lecture – Department of Physical Therapy
 University of Utah, Salt Lake City, UTAH [invited honorary lecture]

- February 2005 Translating Evidence into Clinical Recommendations for Persons with Cerebral Palsy and their Families (International Teleconference)
Canadian Physiotherapy Association [invited teleconference]
- July 2004 Single Subject Research Designs (with Dr. C. Backman)
Physical Therapy Program, University of Alberta, Edmonton AB
[1 1/2 day workshop to entry-level physiotherapy students]
- June 2004 Efficacy and Effectiveness of Physiotherapy Strategies in Enhancing Postural Control in Infants and Children, *Posture in the Picture*. Groningen University, Groningen, THE NETHERLANDS [invited lecture]
- March 2004 Challenging the Myth of Exercise-Induced Lymphedema. Susan G. Komen Lymphedema Conference, Little Rock, AR [keynote lecture]
- October 2003 Never Stop Exercising! Breast Cancer Forum, Canadian Cancer Society – BC/Yukon Chapter, Vancouver, B.C. [invited speaker/panelist]
- October 2003 Healthcare from the Other Side: One Patient's Perspective. 9th Annual Endowed Scully Visiting Lecturer, University of Pittsburgh, Pittsburgh, PA, USA [Honorary invited lecture]
- May 2003 Research on Exercise & Lymphedema & Developing Clinical Practice Guidelines & Challenging the Myth of Exercise-Induced Lymphedema
First International Conference on Lymphedema, McGill University, Montreal, PQ [invited lectures as Visiting Professor of Oncology]
- May 2003 Health Care from the Other Side: One Patient's Perspective
Helen Saarinen Memorial Lecture, Mc Master University, Hamilton, ON [Honorary invited lecture]
- May 2003 Where Do We Go from Here?
International Conference on Cerebral Palsy
University of Laval, Quebec City, PQ [closing keynote lecture]
- April 2003 Early Motor Intervention (invited lecture)
25th Annual Conference on the Spectrum of Developmental Disabilities
Johns Hopkins University School of Medicine, Baltimore, MD, USA
- March 2003 Moving Forward During and After Treatment: The Role of Exercise Myths & Realities: Moving Forward after Cancer Treatments
Vancouver, B.C. [Invited workshop with B. Lundgren & M. Gillespie]
- January 2003 Evidence-Based Practice: Integrating Patient Values
EBM Symposium, University of Alberta, Edmonton AB [invited lecture]
- November 2002 Evidence-Based Practice
5th Annual Advanced Clinical Practice in Pediatric Physical Therapy
Section on Pediatrics, APTA, Austin, TX, USA [invited lecture]
- September 2002 Evidence-Based Practice in Rehabilitation
Capper Foundation, Topeka, Kansas, USA [invited 1-day workshop]

- May 2002 How Much Therapy is Enough & Evidence-Based Practice in Pediatrics
New Zealand Society of Physiotherapist Biennial Conference
Rotorua, NZ (invited speaker)
- February 2002 Alternative Therapies: Science or Magic?
The Oregon Conference - Eugene, OR, USA [invited keynote address]
- September 2001 Challenging Myths in Physical Therapy
National Pediatric Physiotherapy Conference
Melbourne, AUSTRALIA [invited keynote address]
- June 2001 Health Care from the Other Side: One Patient's Perspective
Canadian Physiotherapy Association Congress, Calgary, AB
[Closing Keynote Address]
- March 2001 Follow-up: What are the Guidelines and What are the Issues? Women & Cancer: Myths & Realities, UBC Interprofessional Continuing Education, Vancouver, BC, CANADA [invited plenary session lecture]
- February 2001 Evidence-Based Practice in Rehabilitation. Physical Therapy Program, Widener University, Chester, PA [invited 1-day forum]
- October 2000 Evidence-Based Practice in Physical Therapy. Department of Public Instruction, State of Wisconsin, Dells, WI [invited workshop]
- May 2000 Challenging Myths & How to Critique New Treatments. Danish Research Society of Physiotherapists Annual Conference, Odense, DENMARK [Keynote Lectures]
- October 1999 Challenging Myths in Physical Therapy, Wisconsin State Physical Therapy Fall Conference, La Crosse, Wisconsin, USA [keynote speaker]
- June 1999 Challenging Myths, American Physical Therapy Association, Washington, D.C., USA [invited lecture]
- February 1999 Sifting Information, Breast Cancer: Myths & Realities 1999 UBC Inter-professional Continuing Education, Vancouver, BC, CANADA [Invited plenary session lecture]
- March 1998 Clinical Practice Guidelines: Meeting the Challenge of Evidence-Based Practice
G. F. Strong Rehabilitation Centre, Vancouver, BC, CANADA
- February 1998 Psychosocial and Medical Aspects of Breast Cancer
[Invited presentation co-presented with Kate Doyle]
Wellington Division - Cancer Society of New Zealand
Wellington, NEW ZEALAND
- November 1997 How Should New Treatments be Critiqued for Scientific Merit?
[invited Keynote Lecture at International Symposium]
Practice, Theory, & Education in Physiotherapy - What is the Link?
Gothenburg, SWEDEN

- October 1997 Exercise and Lymphedema
Oncology Rehabilitation Symposium, Memphis, TN, USA [invited lecture]
- August 1997 Introduction to the Harris Infant Neuromotor Test
Allegheny University of the Health Sciences
Philadelphia, PA, USA [invited workshop]
- June 1997 How Should New Treatments be Critiqued for Scientific Merit?
Pediatric Physical Therapy Congress
Veldhoven, THE NETHERLANDS [invited lecture]
- May 1997 Do No Harm! Client-Centered and Evidence-Based Practice
Barbara C. White Lecture [lecture award]
University of Florida, Gainesville, FL, USA
- April 1997 Prevention, Measurement, and Management of Lymphedema
Kenneth Norris Cancer Center - University of Southern California
Los Angeles, CA, USA [invited lecture]
- April 1997 Breast Cancer and Exercise: Evidence-Based Practice from a Consumer
Medical Women's Faculty Association - University of Southern California
Los Angeles, CA, USA [invited lecture]
- March 1997 How Should Treatments be Critiqued for Scientific Merit?
Seminar Day - Calgary District, Canadian Physiotherapy Association
Calgary, AB, CANADA [invited keynote address]
- March 1997 Treatment Effectiveness: Evaluating Changes in a Single Subject
[Invited 1-day course, co-presented with Catherine Backman)
Calgary District - Canadian Physiotherapy Association, Calgary, AB, CANADA
- March 1997 Faced with Cancer: How Do I Choose My Treatment?
Breast Cancer: Myths & Realities Conference
Vancouver, BC, CANADA [invited plenary session lecture]
- February 1997 Evaluating Changes in a Single Subject
[Invited 1-day course co-presented with Catherine Backman)
Research Division - Canadian Physiotherapy Association
Vancouver, BC, CANADA
- November 1996 How Should Treatments be Critiqued for Scientific Merit? &
Introduction to Case Reports [invited lecture and keynote lecture]
School of Physical Therapy, University of Saskatchewan
Saskatoon, SK, CANADA
- October 1996 Evidence-Based Practice in Rehabilitation: A Consumer's Perspective
Exercise Physiology and Active Rehabilitation Conference
Vancouver, BC, CANADA [keynote lecture]
- September 1996 Levels of Evidence [part of invited plenary session on "Evaluating Interventions:
A Framework for Evidence-Based Practice"]

American Academy for Cerebral Palsy & Developmental Medicine
Minneapolis, MN, USA

- [
- June 1996 How Should Treatments be Critiqued for Scientific Merit?
Clinical Reasoning Forum, APTA Annual Conference
Minneapolis, MN, USA [invited keynote lecture]
- May 1996 Early Identification of Motor and Cognitive Delays in High-Risk Infants
Steven J. Rose Lecture - Washington University
St. Louis, MO, USA [honorary invited lectureship]
- April 1996 Role of the Physiotherapist in Assessment and Management of Cerebral Palsy & To Stand or Not to Stand? Third Combined Hong Kong & Guangdong Orthopaedic Conference, HONG KONG [invited presentation and keynote]
- March 1996 Evidence-Based Practice in Seating and Mobility
[Invited lecture with Jean Minkel]
12th International Seating Symposium, Vancouver, BC, CANADA
- February 1996 Rehabilitation and Exercise in Breast Cancer [invited short presentation]
Breast Cancer Research Forum - U.B.C., Vancouver, BC, CANADA
- May 1995 Client-Centered Management in Breast Cancer
[Invited panel presentation] Healthy Breasts: Women Taking Action
Vancouver Women's Health Collective, Vancouver, B.C., CANADA
- May 1995 Developmental Diagnosis: The Parent is (Almost) Always Right
[Invited lecture]
Conference on Promises and Practices in Inclusive Education
Experimental Education Unit: 25th Anniversary
University of Washington, Seattle, WA, USA
- May 1995 Family-Centered Care: Myth or Reality in the 1990's?
[Invited Annual Lectureship]
Eighth Annual Maternal & Child Health Lecture – Division of Physical Therapy
University of Washington, Seattle, WA, USA
- April 1995 Approaches to Research and Evaluation for the Clinician
[Invited workshop with Dr. Kenneth Ottenbacher]
University of Wisconsin-Madison, Madison, WI, USA
- July 1994 Neurodevelopmental Assessment Seminar (invited seminar)
Physiotherapy and Occupational Therapy Departments
University of Northumbria at Newcastle, Newcastle-upon-Tyne, UK
- May 1994 Early Intervention: Does Developmental Therapy Make a Difference?
(Invited lecture)
Disorders of Development & Behavior: Update '94, New York, NY, USA
- April 1994 New Directions in Infant Assessment (invited workshop with Dr. Thubi Kolobe)

Meriter Hospital/Madison General, Madison, WI, USA

- February 1994 Treatment Effectiveness: Evaluating Changes in a Single Subject
(Invited workshop with Catherine Backman)
Vancouver Unit, Neurosciences Division, C.P.A., Vancouver, B.C., CANADA
- January 1994 Functional Abilities in Context (invited lecture)
Pediatric Neurorehabilitation Conference, El Paso, TX, USA
- November 1993 How Much Therapy is Enough?
(Invited workshop with Dr. Winnie Dunn and Dr. Leslie Olswang)
Vancouver Neurological Centre, Vancouver, B.C., CANADA
- November 1993 Treatment Effectiveness: Evaluating Clinical Changes in a Single Subject
(Invited workshop with Dr. Mark Wolery)
Pennsylvania State Physical Therapy Association Fall Conference
Seven Springs, PA, USA
- June 1993 How is a New Treatment Approach Critiqued for Scientific Merit?
(Invited lecture) – Catherine Worthingham Fellows Forum
American Physical Therapy Association Annual Conference
Cincinnati, OH, USA
- June 1993 Treatment Effectiveness: Evaluating Clinical Changes in Your Clients
(Invited lecture)
Children and Youth with Developmental Motor Disabilities Conference
Vancouver, B.C., CANADA
- June, 1993 Alternative Therapies (invited lecture)
Children and Youth with Developmental Motor Disabilities Conference
Vancouver, B.C., CANADA
- May, 1993 Evaluation and Management of Infants with Congenital Hypotonia
(Invited workshop)
Developmental-Behavioral Disorders: Update 1993, Hilton Head, SC, USA
- May 1993 Efficacy of Physical Therapy in Promoting Family Functioning and Functional Independence for Children with Cerebral Palsy (invited lecture)
Developmental-Behavioral Disorders: Update 1993, Hilton Head, SC, USA
- May 1993 Treatment Effectiveness: Evaluating Changes in a Single Subject
(Invited workshop with Catherine Backman)
Alberta Children's Hospital, Calgary, Alberta, CANADA
- May 1993 Family-Centered Therapy (invited lecture)
Annual Workshop for Municipal Health Department Therapists
Vancouver, B.C., CANADA
- April 1993 Treatment Effectiveness: Evaluating Clinical Changes in a Single Subject
(Invited workshop), Washington State Physical Therapy Association
Spring Conference, Yakima, WA, USA

- April 1993 Clinical Diagnosis Through Movement Observation in Infants
(Invited Doctoral Seminar), Department of Rehabilitation Medicine
University of Washington, Seattle, WA, USA
- November 1992 Including Children with Motor Delays or Disabilities
(Invited workshop with Dr. Winnie Dunn)
Division of Early Childhood (DEC/CEC) Annual Conference
Washington, DC, USA
- November 1992 Efficacy of Early Intervention (invited lecture)
American Academy of Physical Medicine & Rehabilitation
San Francisco, CA, USA
- October 1992 Analyzing Infant Movement (invited workshop)
Missouri Physical Therapy Association, Springfield, MO, USA
- June 1992 N of One: Single Case Research Design for Practicing Clinicians
(Invited lecture)
CPA Congress, Saskatoon, Saskatchewan, CANADA
- May 1992 Infant Motor Assessment/Efficacy of Early Intervention
(Invited 2-day course)
University of Puerto Rico, Humacao, PUERTO RICO
- April 1992 To Stand or Not to Stand? That is the Question (invited lecture)
Duncan Seminar, Children's Hospital and Medical Center
Seattle, WA, USA
- February 1992 Measurement Standards in Pediatrics
(Pre-conference Course with Drs. S. Haley and W. Stuberg)
APTA Combined Sections Meeting, San Francisco, CA, USA
- April 1991 Clinical Research Made Ridiculously Simple [invited keynote address]
VA Physical Therapy Association Annual Conference, Roanoke, VA, USA
- May 1991 Functional Outcomes of Therapeutic Intervention
(Invited panel presenter)
Canadian Physiotherapy Congress, Montreal, Quebec, CANADA
- January 1991 Introduction to Single Case Designs (invited lecture)
Section on Research, APTA Combined Sections Meeting, Orlando, FL, USA
- October 1990 Handling, Positioning, and Feeding the Young Child with Motor Delay
(Invited workshop)
Montana Conference on Developmental Disabilities, Billings, MT, USA
- September 1990 Early Diagnosis of Cerebral Palsy (invited lecture)
Advances in Developmental Disabilities Conference
Children's Seashore House, Philadelphia, PA, USA

- August 1990 Introduction to Single Subject Designs (invited lecture)
Annual Research Course
U.S. Army Medical Specialists Corps, Leesburg, VA, USA
- July 1990 Functional Abilities in Context (invited lecture)
II-STEP Conference on Motor Control
University of Oklahoma, Norman, OK, USA
- May 1990 Treatment Effectiveness: Evaluating Clinical Changes in a Single Subject
(Invited workshop)
Iowa Chapter APTA Spring Meeting, Des Moines, IA, USA
- May 1990 Physical Therapy: Techniques of Evaluation & Evidence of Success
[Invited lecture at conference on *New Approaches & Controversies in the Treatment of Cerebral Palsy*]
American Academy of Orthopedic Surgeons, San Francisco, CA, USA
- April 1990 Evaluating Clinical Change Using Single Subject Designs
(Invited seminar with Dr. Ken Ottenbacher)
University of Vermont, Burlington, VT, USA
- March 1990 Treatment Effectiveness: Measuring Clinical Changes in the Pediatric Client
(Invited seminar) SUNY Health Science Center, Brooklyn, NY, USA
- February 1990 Early Intervention for Infants with Neurologic Impairments (invited lecture)
4th Annual Symposium on Cerebral Palsy, Athens, GREECE
- February 1990 Clinical Diagnosis through Movement Observation in Infants (invited lecture)
Eugene Michels Research Forum
Combined Sections Meeting-A.P.T.A., New Orleans, LA, USA
- January 1990 Efficacy of Physical Therapy in Promoting Family Functioning and Functional Independence in Children with Cerebral Palsy (invited lecture)
Consensus Conference on Efficacy of PT
Combined Sections Meeting-APTA, New Orleans, LA, USA
- October 1989 New Approaches to the Developmentally Disabled Child
(Invited lecture with F.C. Bennett, M.D.)
American Academy of Pediatrics Annual Conference, Chicago, IL, USA
- September 1989 Accepted and Controversial Neuromotor Therapies (invited lecture)
Project HOPE Pediatric Rehabilitation Conference, Krakow, POLAND
- July 1989 Current Research on Down Syndrome
(Invited lecture with Rita Hohlstein and Carleen Schloemer)
CATCH '89, Milwaukee, WI, USA
- June 1989 Physical Therapist as Expert Witness (invited lecture with Carole Hollon, JD)

- APTA Annual Conference, Nashville, TN, USA
- May 1989 Early Identification of Cerebral Palsy and Other Developmental Disabilities
(Invited workshop): Developmental/Behavioral Disorders – Update 1989
Hilton Head, SC, USA
- May 1989 Integrating Physical/Occupational Therapy into the Classroom (invited
workshop)
ECDAW/OSPI Early Childhood Conference, Seattle, WA, USA
- April 1989 Early Intervention: Does Developmental Therapy Make a Difference?
(Invited lecture). Research Symposium on Cerebral Palsy – Kluge Children's
Rehabilitation Center, Charlottesville, VA, USA
- March 1989 Early Intervention for Neurologically Impaired Infants (invited plenary session)
American Academy of Pediatrics, Orlando, FL, USA
- February 1989 Early Intervention: Does Developmental Therapy Make a Difference?
(Invited keynote address)
Colorado State Special Education Conference, Colorado Springs, CO, USA
- November 1988 Positioning and Handling the Handicapped Child (invited lecture)
Project HOPE Pediatric Rehabilitation Conference, Krakow, POLAND
- September 1988 Introduction to Single Subject Design (invited one-day workshop)
La Rabida Children's Hospital, Chicago, IL, USA
- July 1988 Early Intervention for Down Syndrome
(2-day workshop with Dr. S. Sandall and K. Stewart, MS, OTR)
Waisman Center for Mental Retardation, University of WI, Madison, WI, USA
- May 1988 Research Directions in Early Intervention (invited lecture)
First Annual NDT Conference, Kansas City, KS, USA
- March 1988 Single Subject Research: An Approach for the Clinician
(Invited one-day workshop with Dr. Ken Ottenbacher)
School of Allied Health Professions
University of Wisconsin, Madison, WI, USA
- December 1987 Evaluation and Management of Infants with Congenital Hypotonia
(Invited lecture) Ochsner Clinic, New Orleans, LA, USA
- May 1987 Movement Assessment of Infants: Reliability and Validity (invited lecture)
World Congress of Physical Therapy: Post-Congress Course
Sydney, AUSTRALIA
- November 1986 Accepted vs. Controversial Neuromotor Therapies (invited lecture)
Developmental/Behavioral Disorders: Update 1986, Orlando, FL, USA
- February 1986 Accepted vs. Controversial Neuromotor Therapies (invited lecture)
High Risk Infants: 1986

- UC-Davis Continuing Medical Education, Sacramento, CA, USA
- November 1985 Early Predictors of Cerebral Palsy in High-Risk Infants (invited honorary lecture)
Children's Hospital, Harvard University, Boston, MA, USA
- June 1985 Treatment Effectiveness: Evaluating Clinical Changes in a Single Subject
(Invited lecture) Canadian Physiotherapy Congress, Vancouver, BC, CANADA
- April 1985 Growing Up with Cerebral Palsy (invited lecture)
A.I. DuPont Institute, Wilmington, DE, USA
- March 1985 Introduction to Clinical Research (invited half-day workshop)
University of Nebraska Medical Center, Omaha, NE, USA
- January 1985 Seminar on Movement Assessment of Infants (invited 2-day workshop)
Variety Children's Treatment Centre, Surrey, BC, CANADA
- December 1984 Infant Intervention for Down Syndrome (invited lecture)
International Conference on Down Syndrome
Syracuse, Sicily, ITALY
- March 1984 Predictive Validity of Movement Assessment of Infants
(invited research seminar)
McGill University, Montreal, Quebec, CANADA
- September 1983 Seminar on Movement Assessment of Infants
(Invited two-day workshop with M. Swanson)
Rehabilitation Institute of Chicago, Chicago, IL, USA
- July 1983 Research Project for Evaluating Therapy
(Invited lecture with Dr. Mark Wolery)
CATCH '83: Wisconsin Physical Therapy Assn, Milwaukee, WI, USA
- February 1983 Survey of Assessment Tools
(Invited workshop with Dr. B. Connolly)
APTA Combined Sections Meeting, Nashville, TN, USA
- December 1982 Efficacy of Physical Therapy for Infants with Down Syndrome
Division of Early Childhood Conference/ Council for Exceptional Children
Washington, D.C., USA (invited lecture)
- September 1982 Seminar on Movement Assessment of Infants
(Invited two-day seminar with L. Chandler)
University of Kentucky, Lexington, KY, USA
- March 1982 Motor Development in Infants with Down Syndrome (invited lecture)
University of Nevada, Las Vegas, NV, USA
- November 1981 Seminar on Infant Assessment (two-day workshop with M. Swanson)
Children's Hospital of Philadelphia, Philadelphia, PA, USA
- October 1981 Introduction to Single Subject Research Design (invited lecture)

Washington State Physical Therapy Fall Conference, Spokane, WA, USA

April 1981

NDT: Background and Theory (invited lecture)

Early Childhood Development Conference, Ellensburg, WA, USA

February 1981

Treatment Effectiveness: Evaluating Clinical Changes in a Single Subject

(Invited lecture with Dr. M. Wolery)

A.P.T.A. Combined Sections Meeting, Reno, NV, USA

February 1981

Test Interpretation for Pediatric Therapists (Invited Lecture)

Washington Occupational Therapy Association, Seattle, WA, USA

January 1981

Seminar on Infant Assessment

(2-day workshop with L. Chandler and M. Swanson)

University of Hawaii, Honolulu, HI, USA

November 1980

NDT Treatment Techniques for Classroom Management

(Invited workshop)

Center on Human Development

University of Oregon, Eugene, OR, USA

October 1980

Evaluating the Effects of Sensory Integration and NDT

(Invited Lecture)

Washington Occupational Therapy Association, Des Moines, WA, USA

September 1980

Overview of NDT Treatment Approach

(Invited 1-day workshop with D. O'Neill and C. Siegner)

Montana Physical Therapy Association, Great Falls, MT, USA

May 1978

Screening and Assessment of Preschool Handicapped Children (invited lecture)

Regional Technical Assistance Center, Mt. Vernon, WA, USA

(e) *Other Presentations*

May 2019

Infant Assessment (1-day course with Dr. Suzann Campbell)

World Congress of Physical Therapy – Geneva., SWITZERLAND

March 2018

Early Identification of Motor and Cognitive Delays in Infants (Webinar)

Paediatric Division – Canadian Physiotherapy Association

September 2016

Reflections of a Rehabilitation Researcher over 40 Years

Graduate Rehab Research Day – Rehabilitation Sciences

University of British Columbia [invited keynote]

January 2014

Preparing a Poster for the PABC Forum

PABC Webinar (presented with Dr. W.D. Reid) – Vancouver, BC

March 2013 & 2015

How Can Exercise Make Me Feel Stronger?

Be Active: Education of Chinese Cancer Survivors & Their Families

Vancouver Cancer Clinic – BC Cancer Agency, Vancouver, BC

March 2008

Differential Diagnosis of Congenital Hypotonia in Infants

Physiotherapy Dept., BC Children's Hospital, Vancouver BC

- October 2007 Evaluating Single-Subject Research Design: Evidence Levels & Rigor
[Instructional course presented with L. Logan and R. Hickman]
American Academy for Cerebral Palsy & Developmental Medicine
Vancouver, BC
- February 2007 Evidence-Based Practice in Physical Therapy
Vancouver Coastal Health – Vancouver, BC
- March 2005 Breast Cancer Rehabilitation – International Women's Day
Research Week – UBC, Vancouver, BC
- October 2004 Evidence-Based Practice: Making a Case for Case Reports
Queen Alexandra Children's Health Centre – Victoria, BC
- July 2002 Standardization of the Harris Infant Neuromotor Test [1-hour presentation]
Canadian Physiotherapy Association Congress, Halifax, NS, CANADA
- June 2000 Challenging the Myth of Exercise-Induced Lymphedema: A Series of Case Reports. Authors: S.R. Harris & S. Niesen-Vertommen [research paper]
Tri-Joint Congress (OT/PT/SLP), Toronto, Ontario, CANADA
- April 2000 Waiting for Diagnosis after an Abnormal Screening Mammogram: Issues in Consumer Satisfaction [research paper presented by Dr. S. Thorne]. Authors: S. Thorne, S. Harris & G. Hislop. National Conference Building Bridges: Creating an Integrated Approach to Women's Health, Victoria, BC, CANADA
- June 1999 Challenging the Myth of Exercise-Induced Lymphedema: A Series of Case Reports. Authors: S.R. Harris & S. Niesen-Vertommen [research paper]
Reasons for Hope: CBCRI Conference, Toronto, Ontario, CANADA
- February 1996 Instability of Bayley-II Scores in Infants with Prenatal Drug Exposure
[Research paper] Combined Sections Meeting – American Physical Therapy Association, Atlanta, GA, USA
- June 1996 Evidence-Based Practice: Making a Case for Case Reports
Canadian Physiotherapy Association Annual Congress
Victoria, BC, CANADA [refereed, 1-hour instructional course]
- June 1995 How to Scientifically Critique a New (or Existing) Treatment Approach
[Refereed presentation]
World Congress of Physical Therapy, Washington, DC, USA
- June 1994 Accepted and Controversial Neuromotor Therapies [refereed presentation]
CPA/APTA Joint Congress, Toronto, ON, CANADA
- June 1991 Introduction to Case Reports (refereed presentation)
APTA Annual Conference, Boston, MA, USA

- October 1991 Functional Abilities in Context (instructional course)
American Academy for Cerebral Palsy and Developmental Medicine
Louisville, KY, USA
- June 1988 High-Risk Infants with Optimal Developmental Outcomes (research paper)
APTA Annual Conference, Las Vegas, NV, USA
- October 1987 Efficacy of Physical Therapy for High Risk and Handicapped Infants
(Instructional course)
American Academy for Cerebral Palsy & Developmental Medicine
Boston, MA, USA
- October 1986 Early Predictors of Spastic Hemiplegia vs. Spastic Diplegia (research paper)
American Academy for Cerebral Palsy & Developmental Medicine
New Orleans, LA, USA
- April 1986 Early Neuromotor Development in Down Syndrome (research paper)
International Down Syndrome Congress, Brighton, ENGLAND
- Dec. 1985 Neuromotor Development in Infants with Down Syndrome (research paper)
National Center. for Clinical Infant Programs, Washington, DC, USA
- October 1985 Early Predictors of Cerebral Palsy in Low Birthweight Infants (research paper)
American Academy for Cerebral Palsy & Developmental Medicine
Seattle, WA, USA
- October 1984 Neuromotor Development in Infants with Down Syndrome (research paper)
American Academy for Cerebral Palsy & Developmental Medicine
Washington, D.C., USA
- June 1984 Predictive Validity of Movement Assessment of Infants (research paper)
APTA Annual Conference, Las Vegas NV, USA
- June 1983 Accuracy and Stability of the Movement Assessment of Infants (research paper)
APTA Annual Conference, Kansas City, MO, USA
- June 1983 Water as a Learning Environment for Deaf-Blind Children
(Research paper with K. Haigh, PT)
APTA Annual Conference, Kansas City, MO, USA
- October 1982 Assessing Motor Development in Children with Multiple Handicaps
(Research paper), American Academy for Cerebral Palsy & Developmental
Medicine, San Diego, CA, USA
- June 1981 Assessment of High-Risk Infants: An Interdisciplinary Training Program
(Special interest paper)
APTA Annual Conference, Washington, D.C., USA
- June 1980 NDT Effects of Motor Performance in Down's Syndrome Infants (research poster)
APTA Annual Conference, Phoenix, AZ, USA

12. *Conference Participation (Organizer, Keynote Speaker, etc.)*

July 2016	Co-Moderator (with Dr. C. Winstein) – Closing Plenary Session <u>IV STEP Conference</u> , Columbus, Ohio, USA
February 2015	Panel Member, <u>Academic Retirement Symposium</u> APTA Annual Conference, Indianapolis, IN, USA
October 2006	Moderator, <u>Women’s Health Symposium</u> UBC & Physiotherapy Association of BC Vancouver, BC
October 2004	Co-Facilitator: <u>Pediatric Research Summit</u> Section on Pediatrics – APTA, Alexandria, VA, USA
October 2004	Moderator: <u>Panel on “Evidence-Based Practice”</u> Physiotherapy Association of BC Research Conference Richmond, BC
October 2003	<u>Never Stop Exercising</u> (short invited presentation) Exercise & Breast Cancer, Canadian Cancer Society (BC/Yukon) Vancouver, BC
October 2002	Panelist: <u>Barriers in Health Care</u> Pacific Northwest Medical Librarians Association, Vancouver, BC
September 2002	Expert panelist: <u>Globalization & Health Care Forum</u> Romanow Commission on the Future of Health Care in Canada Vancouver, BC
March 2001	<u>Women & Cancer: Myths and Realities</u> Member of Planning Committee: 6/99-2/01 UBC Continuing Inter-professional Education, Vancouver, BC, CANADA
February 1999	<u>Breast Cancer: Myths and Realities-1999</u> Member of Planning Committee: 2/98 - 3/99 UBC Continuing Inter-professional Education, Vancouver, BC, CANADA
September 1997	<u>Sharing the Experience: An Evening for Breast Cancer</u> [panel member] Canadian Cancer Society Forum, Vancouver, B.C., CANADA
March 1997	<u>Breast Cancer: Myths and Realities</u> Member of Planning Committee: 2/96 - 3/97 UBC Continuing Inter-professional Education, Vancouver, BC, CANADA

10. SERVICE TO THE UNIVERSITY

(a) *Memberships on committees, including offices held and dates*

University of British Columbia

Member, Clinical Research Ethics Board (2007-2008)

Member, President’s Advisory Committee on Selection of New Director for School of Rehabilitation

Sciences (October 2004 – January 2005)

Member, President's Advisory Committee on Selection of a Director for School of Rehabilitation Sciences (1993-1994)

Faculty of Medicine

Departmental Representative, Awards Committee (2014)

Member, Mentoring Program Working Group (October 2004 – 2009)

Member, Faculty Development, Achievement, & Awards Committee [July 1, 1998 - June 30, 1999]

Member, Task Force on Research Education & Graduate Training [July, 1997 - 1999]

Member, Committee to Develop "Doctor, Patient, & Society" course [Nov. 1996 - June 1998]

Member, Postgraduate Awards Committee [July 1, 1995-June 30, 1998]

Member, Ad Hoc Committee on Recruitment & Appointment of Associate/Asst. Deans [Feb-May, 1995]

Faculty of Graduate Studies

Member, Graduate Council, Faculty of Graduate Studies (1993-1995; 1997 - 2000)

Member, Nominations Committee, Graduate Council, Faculty of Graduate Studies (1993-1998)

Chair, Nominations Committee [1995-1996]

Member, Ad Hoc Committee to Review the Proposal for an Institute for Hearing Accessibility Research, Graduate Council

School of Rehabilitation Sciences

Member, Search Committee for Division Head of Physical Therapy [2005-2006]

Chair, Standing Committee on Promotions & Tenure [2002 – 2008]

Chair, Awards Committee, School of Rehabilitation Sciences (July 1, 2001-June 30, 2002)

Graduate Program Coordinator, School of Rehabilitation Sciences [July 1, 1997 - May 31, 1998]

Head, Division of Graduate Studies, School of Rehabilitation Sciences (March, 1993 - July, 1995)

Member, Health Sciences Student Research Forum Committee [1995-1996]

Member, McCreary Lectureship Committee (1993-present)

Member, Admissions Task Force (1992-1993), School of Rehabilitation Sciences, UBC

Member, Search Committee for Physical Therapy Division Head (1992-1993)

Member, Ad Hoc Committee to Consider Space (1992-1993), School of Rehabilitation Sciences, UBC

Acting Head, Division of Physical Therapy (1991-1992), School of Rehabilitation Medicine, UBC

Member, Task Force on Faculty Evaluation (1991-1992), School of Rehabilitation Medicine, UBC

Member, Planning Committee (1990-91), Health Care Team Clinical Competition, Health Sciences - UBC

Chair, Ad Hoc Committee on Faculty Duties and Responsibilities (1991)

Member, Undergraduate Fitness Curriculum Committee (1990), School of Rehabilitation Medicine – UBC

Department of Physical Therapy (formerly Division of Physical Therapy)

Departmental Representative, Association of Professors Emeriti (2012 – present)

Chair, Search Committee for Instructor I (2008)

Chair, Standing Committee on Appointments, Promotion & Tenure (2007-2008)

Member, Administrative Manager Interview & Selection Committee (2006, 2008)

Member, Merit Review Committee (2008)

Copy Editor, Quarterly Newsletter – Department of Physical Therapy (2007-2008)

Member, Search Committee, Physical Therapy Division Head (2005-2006)

Member, Awards Committee [September, 1997 – 1998; 2000-2001]

Member, Curriculum Sub-committee (1990-2003)

Member, OSCE Committee (1993-2000)

Advanced Graduate Program, School of Rehabilitation Sciences

Member, Graduate Research Programs Admission Committee (1993 - 2008)

Chair, Graduate Program Committee (1994-1995)
 Chair, Graduate Admissions Committee (1994-1995)
 Member, Graduate Program Committee (1993-2008)

(b) *Other service, including dates*

11. SERVICE TO THE COMMUNITY

(a) *Memberships on scholarly societies, including offices held and dates*

Canadian Academy of Health Sciences

Fellow (2005 – present)
 Member, CAHS Fellowship Committee (2011 – 2014)

Catherine Worthingham Fellow, American Physical Therapy Association

External Liaison: APTA & Amer. Academy for Cerebral Palsy & Developmental Medicine (1991-98)
 Member, APTA Committee on Research (1984-1987); Chair (1986-1987)
 Member, Section of Pediatrics Research Committee (1981-1992); Chair: 1987
 Member, Research Committee, Washington State Physical Therapy Assoc. (1979-1983)
 Member, Neurology Section Research Committee-APTA (1979-1980)

Fellow, American Academy of Cerebral Palsy and Developmental Medicine

Member, Task Force on Evaluative Criteria for Single-Subject Research Design (2006-07)
 Member, Treatment Outcomes Committee (1997 - 2000)
 Member, Scientific Program Committee (1991-1995); Chair (1995)
 Chair, Long Range Planning Committee (1990-1991)
 Director-at-Large, Board of Directors (1984-1987)
 Member, International Affairs Committee (1987-1990)
 Member, Continuing Education Committee (1984-1986)
 Member, Nominating Committee (1985 and 1989)
 Member, Task Force on Developing Evidence Levels for Single-Subject Research Design (2006)

Member, American Society of Breast Disease (1997 - 2006)

Member, Rehabilitation-Psychosocial Expert Working Group (2004)
 Member, BC Fetal Alcohol Syndrome Research Society (1993-1994)

Member, Canadian Physiotherapy Association (1992-present)

Co-Chair, Journal Task Force (2008 – 2009)
 Member, *Briefings* Academic Advisory Group, PABC (2006- present)
 Member of the Executive, Research Division, CPA (1995-1998)
 Silver Quill Ranking Committee – *Physiotherapy Canada* (2008-2011, 2013, 2015)
 College of Physical Therapists of British Columbia (1990-present)

(b) *Memberships on other societies, including offices held and dates*

Member, BC Paediatric Therapy Advisory Network (2005-2006)
 Member, Canadian Cancer Advocacy Network – BC/Yukon Chapter (Feb. 2004 – present)
 Member, Canadian Breast Cancer Foundation - BC (1995 - present)
 Advocacy Committee (1995 - 1997); Interim Chair (January - April, 1996)
 Nominating Committee (1996)

Member, Agency Patient Education Group, BC Cancer Agency (1999-2001)
 Co-Chair [July 2000 – July, 2001]

(c) *Memberships on scholarly committees, including offices held and dates*

(d) *Memberships on other committees, including offices held and dates*
 1981-1985 Specialty Council for Pediatric Physical Therapy, Board for Certification of Advanced Clinical Competence, American Physical Therapy Association.

(e) *Editorial Boards (journal and dates)*

(g) *External Examiner (indicate universities and dates)*

Lucy E. Lorefice, PhD, 2013, University of Melbourne, Australia – External Examiner
 Sarah C. Love, Ph.D., 2009, Curtin University of Technology, Perth, Australia – External Examiner
 Beverley Eldridge, Ph.D., 2003, University of Melbourne, Australia – External Examiner
 Bobby Cheema, M.Sc., 2002, University of Victoria, Victoria, BC – External Examiner
 Rawewan Lekskulchai, Ph.D., 2001, Curtin University, Perth, Australia – External Examiner
 Tamis Pin, M.S., 1995, Curtin University of Technology, Perth, Australia - External Examiner
 Dianne Cherry, Ph.D., 1986-1990, Loyola University, Chicago, IL – Ph.D. Committee Member
 Joan Cole, Ph.D., 1988, University of Queensland, St. Lucian, Queensland, Australia -External Examiner
 Martine Paban, MS, 1985, McGill University, Montreal, PQ - External Examiner

(h) *Consultant/External Reviewer (indicate organization and dates)*

External Reviewer – Bloorview Research Institute: 2009-2014
Holland Bloorview Kids Rehabilitation Hospital, Toronto, ON (2014)

External Reviewer, Post-Doctoral Fellowship Award in Cerebral Palsy
Laval University & Bloorview Research Institute, Quebec City, PQ (2012)

Expert Panel Member, Roundtable Meeting on a Prospective Model of Care for Breast Cancer
Rehabilitation, American Cancer Society Headquarters, Atlanta, GA, USA (2011)
Member, Issue Exploration Forum on Cerebral Palsy (2010)
Agency for Healthcare Research and Quality, Rockville, MD USA

Member, Consort Extension for N-of-1 Trials (CENT) – Delphi Survey (2009)
University of Alberta, Edmonton, AB

Member, Medical Advisory Board (2006 – present)
Turning Point Women’s Health Care, Atlanta, Georgia, USA

External Reviewer (September 2009) – University Review
School of Rehabilitation Science, McMaster University, Hamilton, ON

External Reviewer (2008-2009) -- Emerging Research Awards & Research Development Awards
School of Physiotherapy, University of Otago, Otago, NEW ZEALAND

External Appraiser (2007) – MPT and Proposed MCISc Programs – University of Western Ontario
Ontario Council on Graduate Studies – CANADA

Member, Panel of Experts (2007)
Face Validity for Pediatric PT Intervention Activities (PPTIA) Training Manual & Form
University of Puget Sound, Tacoma, WA, USA

Member, International Advisory Board (2005 to present)
The New Zealand Centre for Physiotherapy Research, University of Otago
Otago, NEW ZEALAND

External Evaluator (2004-2007)
Research & Training Center of Early Childhood Development
Center for Evidence-Based Practice, Orelena Hawks Puckett Institute, Asheville, NC, USA

External Reviewer (2004)- Systematic Program Review
School of Physical Therapy – University of Saskatchewan, Saskatchewan, SK

External Consultant (1991)
Early Intervention/School Therapy Program, Graduate Program in Physical Therapy
University of Oklahoma, Oklahoma City, OK, USA

Consultant, Higher Education Advisory Board (1991)
Mental Retardation Institute/Dept. of Early Intervention
New York Medical College, Valhalla, NY, USA

Consultant, Project HOPE (1988-1990)

Institute on Pediatrics, Krakow, POLAND

External Consultant/Content Expert (1987-1989)

Gross Motor Performance Measure, Child Development Center, Queen's University, Kingston, Ontario

National Advisory Board (1987-1992)

Carolina Institute on Personnel Preparation, University of North Carolina, Chapel Hill, NC, USA

Member, Advisory Board (1988-1989) - Adaptation of Functional Measures for Infants and Children

Tufts-New England Medical Center, Boston, MA, USA

(i)

Other Service to the Community

Member, BC Paediatric Therapy Advisory Network (2005-2006)

Canadian Cancer Advocacy Network – BC/Yukon (2004 – present)

Column Contributor, *Physiocorner/Active Living*, “Abreast in the West”, BC/Yukon Breast Cancer Information Project Quarterly Newsletter (1998 - 2008)

Member, Search Committee for Breast Cancer Chair, BC Cancer Agency (1997-1999)

Member, Chronic Neuromuscular Disease Project Committee, BC Rehab Society, Vancouver, BC (1994-1998)

Member, Search Committee for Research Consultant, Arthritis Society, Vancouver, BC (1993)

Member, Objectives and Indicators Work Group, Speech & Languages Services & Early Intervention Program, BC Ministry of Health (1993-1994)

Member, Scientific Review Committee, BC Institute for Maternal and Child Health, Vancouver, BC (1993-1995)

Member, Research Advisory Committee, Sunny Hill Health Centre for Children, Vancouver, BC (1992-1994)

Member, Curricula Development Task Force, Wisconsin Personnel Development Project (1989-1990)

Member, External Advisory Committee, Waisman Center of Mental Retardation and Human Development, University of Wisconsin-Madison (1988-1989)

Member, Task Force on Physical Therapy, Wisconsin Hospital Association (1987-88)

Member, Multidisciplinary Early Intervention Committee, Crippled Children's Services, State of Washington (1984-1985)

Invited Community/Local Presentations (October 1999- present):

- Invited keynote address, Rehabilitation Science Research Day, University of British Columbia. “Reflections from a Rehabilitation Researcher Over the Past 40 Years”. September 28, 2016.
- Invited speaker, BC Cancer Agency (Vancouver), “How Can Exercise Make Me Feel Stronger?” BE ACTIVE: Education for Chinese Cancer Survivors & Their Families. March 15, 2013 & March 13, 2015.
- Invited in-service speaker, Physiotherapy Dept. - BC Children's Hospital, Vancouver BC, “Making a Case for Case Reports in Pediatric Therapy”: May 3, 2012
- Invited speaker (with Dr. Bethan Everett) at BC Pediatric Update Symposium, Vancouver, BC: March 2011
- Invited speaker, 6th Annual Canadian Cancer Society Breast Health Breakfast, Richmond, BC: October 2008
- Invited speaker, Vancouver Coastal Health Authority Physical Therapy Staff, Vancouver, BC: “Evidence-Based Practice: Making a Case for Case Reports”, October 2008
- Invited speaker, 2nd Annual Canadian Cancer Society Breast Health Breakfast, Richmond, BC: October 2004
- Panel member, Breast Health Forum, Terrace, B.C.: June 2002
- Invited presenter, South Fraser Child Development Centre, Surrey, BC: December 2001
- Invited panel participant for Breast Health Forum, Nelson, B.C.: May, 2001

- Invited speaker for CIBC “Run for the Cure”, Vancouver, BC: October 2000
- Invited speaker for Breast Health Forum, Campbell River, BC: October 2000
- Invited speaker for Dr. Vodder School of Manual Lymph Drainage refresher course, Victoria, B.C.: August, 2000
- Keynote speaker for Canadian Cancer Society's Breast Cancer Breakfast, Abbotsford, BC: April 8, 2000
- Invited speaker for Sunny Hill Health Centre for Children's Professional Day: April 3, 2000.
- Invited speaker for VHHSC research seminars: March 28, 2000: “Introduction to Case Reports”
- Invited speaker at palliative care conference: "Making Death a Part of Life" -- March 3, 2000.
- Invited panelist on exercise panel for "Living Well with Cancer" conference (BC Cancer Agency): March 3-4, 2000.
- Moderator and invited speaker for Hope House public forum: "Supporting Life with Hope": March 2, 2000.
- Invited speaker at Richmond Hospital Women's Health Day (Feb, 25, 2000)
- Keynote speaker at Canadian Cancer Society Awareness Day Breakfast, Chilliwack, BC: Oct.1999
- Keynote speaker at Canadian Breast Cancer Foundation Awareness Day Breakfast, Victoria, BC: Oct. 1999

12. **AWARDS AND DISTINCTIONS**

[a] ***Awards for Teaching (indicate name of award, awarding organizations, date)***

Dr. Mickey Milner Lecturer, Bloorview Research Institute, Toronto, ON (2012)

Barbara C. White Lecture Award, Department of Physical Therapy, University of Florida, Gainesville, Florida (2010)

Silver Quill Award for Student Research - Best Student Research Article Published in *Physiotherapy Canada* in 2008. Canadian Physiotherapy Association (2009)

The Susan Harryman Cerebral Palsy Lectureship, Kennedy Krieger Institute, Johns Hopkins University, Baltimore, MD (2007)

The Luiese Lynch Lectureship, Dept. of Rehabilitation Sciences, University of Oklahoma Health Sciences Center, Oklahoma City, OK (2007)

The Mary Jane Stickney Mann Lecturer, Physical Therapy Program, The Sage Colleges, Troy, NY (2007)

Distinguished Speaker, Department of Physical Therapy, St. Louis University, St. Louis, MO (2006)

The Don W. Wortley Lectureship in Physical Therapy, University of Utah, Salt Lake City, UT (2005)

The Scully Visiting Lectureship, University of Pittsburgh, Pittsburgh, PA (2003)

Helen Saarinen Lectureship, McMaster University, Hamilton, ON (2003)

Dr. Zachariah Thomas Lecturer, Saskatoon Division, Canadian Cancer Society (2001)

Barbara C. White Lecture Award, Department of Physical Therapy, University of Florida, Gainesville, FL (1997)

Steven J. Rose Lecture Award, Program in Physical Therapy, Washington University School of

Medicine, St. Louis, MO [1996]

Eighth Annual Maternal & Child Health Lecturer, Division of Physical Therapy, University of Washington, Seattle, WA (1995)

Corbin/Page Lecture Award, University of Vermont, Burlington VT (1990)

Fifth Annual Elizabeth Zausmer Lecturer, Children's Hospital, Harvard University, Boston, MA (1985)

(a) **Awards for Scholarship (indicate name of award, awarding organizations, date)**

Distinguished Medical Research Lecturer Award, University of British Columbia Faculty of Medicine, Vancouver, BC (2008)

Distinguished Alumna Award, Sage Colleges Doctor of Physical Therapy Program, Troy, NY, USA (2007)

2007 Woman of Influence, Russell Sage College, Troy, NY, USA (2007)

Silver Quill Award for Knowledge Translation– Best Knowledge Translation Article in *Physiotherapy Canada* published in 2006. Canadian Physiotherapy Association (2007)

Enid Graham Memorial Lecture Award, Canadian Physiotherapy Association (2006)

Fellow, Canadian Academy of Health Sciences (2005)

Silver Quill Award for Clinical Research - Best Clinical Research Article in *Physiotherapy Canada* published in 2002. Canadian Physiotherapy Association (2003)

Honorary Doctor of Science Degree, University of Indianapolis, Indianapolis, Indiana (1999)

Golden Pen Award, American Physical Therapy Association (1997)

Marian Williams Award for Research in Physical Therapy, American Physical Therapy Association (1992)

Mary Switzer Distinguished Research Fellow, National Institute on Disability and Rehabilitation Research, US Department of Education (1990-1991)

Eugene Michels Research Lecture, Section on Research, American Physical Therapy Association (1990)

Catherine Worthingham Fellow, American Physical Therapy Association (1989)

Mary E. Switzer Research Fellow, National Institute of Handicapped Research (1984-1985)

First Annual Research Award, Section on Pediatrics, American Physical Therapy Association (1983)

(b) **Awards for Service (indicate name of award, awarding organizations, date)**

Certificate of Appreciation for service as Editor of *Physiotherapy Canada*: 2003-2008,
Canadian Physiotherapy Association (2009)

Professional Achievement Award, Canadian Breast Cancer Foundation/BC/Yukon Chapter (2004)

Faculty Citation Community Service Award, UBC Alumni Association (2002)

Honorary Membership, Canadian Physiotherapy Association (1999)

(c) **Other Awards**

Victor Central School District Graduate of Distinction, Victor, NY (2007)

Graduate Fellow, Bureau of Education for the Handicapped, US Department of Education (1977-1979)

Fellow, Kellogg Allied Health Education Project (1976-1977)

THE UNIVERSITY OF BRITISH COLUMBIA
