

## Spirit of God

Phil Wickham

Typical Key: E - Original Key: G - Key: E

### Verse 1:

**E**                    **A**    **E**                    **A**  
We thirst for Your presence; send down  
Your rain  
**E**                    **A**                    **D**    **A**  
Here in this moment, a holy embrace  
**E**                    **A**    **E**                    **A**  
Fire of heaven, come surround  
**E**                    **A**                    **D**    **A**  
We bow down in reverence on this holy  
ground

### Chorus:

**C#m7**                    **A**                    **E**  
Spirit of God, fall upon this place  
**B**                    **C#m7**  
Fan every heart into a burning flame  
**A**                    **E**  
We long for You, call upon Your name  
**D A**                    **E A**  
Spirit of God, have Your way  
**E A**                    **E A**    **E A**  
Have Your way (have Your way)

### Verse 2:

**E**                    **A**    **E**                    **A**  
Nothing between us; the veil is torn  
**E**                    **A**                    **D A**  
You're calling us closer; We run to You, Lord

### CHORUS

### Bridge (x3):

**E**                    **A**                    **E**    **A**  
More of You and less of me  
**E**                    **A**                    **E**                    **A**  
God, this life will bring You glory, glory, glory
