

# **Great Rivers Adult Education K12 Diploma option**

## **To qualify a student must:**

- ☐ be 17 or older
- ☐ lack a secondary (high school) credential and/or function below the 12th grade level in any of the basic academic areas, including reading, math, and the ability to read, write and understand English

## **Tips/Reminders:**

- ☐ Referring students before they are dropped due to attendance or the school year ends is more successful
- ☐ Call us to talk about your student's situation before you meet with them and their parents. Feel free to give the student and/parents our office number so they can ask any questions you may not know.
- ☐ 15 day drops still apply to our program. They have to attend in person for tests.
- ☐ Transfer home school enrollment to Great Rivers Adult Education K12 diploma with Student Information. If they decide GED/HiSET it will be a withdrawal form.

### **BEST FIT STUDENTS:**

- Fewer than 10 credits remaining
- Student who is self-motivated and responsible
- Has transportation to DPC
- Struggle with traditional classroom settings and want to work at their own pace
- Schedule doesn't work with the SWAHS program (parents, working to support family, etc.)
- Someone who fell behind due to a medical or family issue and won't fully catch up
- Someone who needs more individualized teacher support

### **NOT A GOOD FIT:**

- trying to get done as fast as possible
- lacking motivation to study on their own
- requiring a lot of support to get through coursework
- with a lot of credits to finish
- Doesn't have transportation—SWAHS may be a better fit if they need transportation
- Adult Ed does not provide special services. IEP's get dropped at transfer.
