ABSTRACT

Place your abstract in this section. It should be formatted with single spacing and typed in Times New Roman, font size 10. Ideally, the abstract should be between 250 and 300 words. It should be clear and descriptive, providing concise information on the problem addressed. This should be followed by a brief description of the methodology and a summary of the results. Conclude the abstract with a comment on the significance of the results or a brief conclusion. No table, figure, citation, or reference shall be included in the abstract. The manuscript must be saved in Microsoft Word format (.docx/.doc).
