

PRACTICUM COVER TEMPLATE - BASIC PROGRAMMING AND GUIDE TO EDITING THE COVER TEMPLATE

File Template: [IUP - Template Cover Modul Dasprog 2026.docx](#)

To ensure a consistent format and layout, **all students are required to use the official cover template**. Please follow these instructions for editing:

1. Downloading and Using the Template

- Download the cover template file from the provided link.
- Edit the file using **Microsoft Word** to ensure the format and layout remain unchanged.
- The correct cover format and layout are as follows:**

Student Details	
Full Name	Student Full Name (Type it here)
Student ID no.	502x-xx-xxxx (Type it here)
Group	TX-xx (Type it here)
Date of Practicum	

Lab Assistant Data	
Lab Assistant Name	
Practicum Assistance Date	

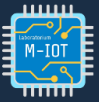

Practicum Grading		(this section is to be completed by the lab assistant)	
Completeness Put (✓) on completed Sections		Report Grade Skala 0 – 100	
Draft Report		Theoretical Base	
• Cover		Preliminary Assignment	
• Module		Practical Results	
• Theoretical Base		Assistance Assignment	
• Pre-elim assignment		Conclusion	
Official Report			
• Practical Results			
• Assistance Assignment			
• Conclusion			

Violations Skala 0 – 100	Revisions Skala 0 – 100	Assistant's Signature

Notes	Assistance Score Skala 0 – 100	Practical Score Cek DMGJ

2. Filling in the Module Title Section

- Replace "P1" and "Module Title" with the correct module number and practical title.
- The module numbers and titles are as follows:
 - P1:** Introduction to the C Language
 - P2:** Branching, Looping, Arrays, and Strings
 - P3:** Function and Recursion

■ **P4: Struct and Pointer**

3. Filling in Student Information

- **Full Name:** Type your name as it appears on your academic ID.
- **NRP (Student ID Number):** Type your complete NRP.
- **Group:** Type the name of your practicum group.
- **Date of Practicum:** To be **handwritten** before the practicum begins.

4. Adding Your Photo

- Replace the blue box on the template with your most recent **formal** photo.

5. Writing Guidelines

- Ensure your report complies with the applicable standards. For detailed writing rules, please refer to [Chapter 4 Report Writing Format](#)
