

OPEN ENROLLMENT

Open Enrollment is the application process for students who live outside regular Grace School District boundaries. Click [here](#) for the application.

For the purposes and procedures of Open Enrollment, please refer to [Policy 631](#) and [631P](#). Different grade levels have different capacities. See below chart for board-approved capacities for each grade level. Once capacities are met, no new open enrollment applications will be considered for that class/grade level and/or special program, unless under specific exceptions.

Black Canyon Elementary Preschool is only for students who have qualified under IDEA and live within Grace School District boundaries. Exceptions are on a case-by-case basis. Screenings occur throughout the school year.
