-Yes, I can do that.  
-Remain silent.

-So let's get cleaning!  
-The Faster Jutsu!  
-What is this heavy thing?  
-Childhood memories?  
-Oh man, it's awesome!  
-Let's see what's inside.  
Whoahhhh!  
-This is my favorite t-shirt!  
-The limited edition of Alien Worksoon t-shirt!  
-Signed by an alien!  
-This brings back so many memories.  
-Woaahhh, a real alien!  
-This is the best day of my life.  
-I'm gonna wear this forever!  
-I really miss that moment.  
-But not for long! Hah!  
-Let me try the t-shirt again.  
-Take off the clothes and pants~  
-It still fits perfectly!  
[Adhan]  
-Ah, it's time for masjid!  
-Huh, only 3 people in the masjid?  
-Where is the Imam?  
Hmmm...  
-No, definitely not him.  
-Nice synchronize sleeping.  
-I must steal their power.  
-Not, not the imam.  
Ehm. Okay.  
-I need to step up.  
-Let me be your imam!  
-I will slay... I mean I will save all of you!

-Well, how was it?

-Am I a good imam?

-Aaa?! Where is-

-Ahh! What a rude jama'ah!

-You all just left in the middle of salah?! Huh!

[You're Not The Best Muslim!]

[Adhan]

-We meet our Lord when we stand up for salah.

-This is the meeting in which we, as slaves, are lowly creatures and indeed insignificant in front of the Lord of the world.

-The greatest and all powerful.

-Therefore, we are obliged to present ourselves in the best and most beautiful appearance in front of Him.

-We must wear best clothes just like when we meet someone important.

[Adhan continues]

[Muslim Level Up!]

-O children of Adam, wear your beautiful apparel at every time and place of prayer.

### It's your Fault!

- A morning routine starts with a painting of higher level, sophisticated... art!
- A squeeze of red, a tiny drop of yellow, green and blue, and a handful of creativity!
- Aaaah... Mmmmuach!
- SUCH A PERFECTO! BEAUTIFUL SMILE~
- No!!! My painting!
- Mommy! You broke my painting!
- Tsk! It's your fault. Why can't you paint?
- It's because of your silly make up, Mom!
- Excuse you, but that is not my fault. Okay?
- Don't talk like that to your mother!
- I think I'm ready to go.
- Ehm. Ehm.
- You are not wearing any seat belt, Madam.
- I must send you a ticket right now.
- Also I'd like to ask you for your license and registration.
- Excuse me, but what did I do wrong officer, huh?
- Seat belt nowadays?
- You don't even wear one!
- Do you see my lovely boy over there?
- He don't even wear any seatbelt.
- Oh by the way, why are you even here? Huh?!
- I don't see you any other day.
- Sure you're looking for civilian like me.
- Hey, just so you know, I have a husband, and my kid is not little anymore, so I have no time for you.
- I hate men with mustache, and black uniform wearing shades, and your breath smells bad, and your bald head, and poor, and no style, and your legs are short, and you have cock eye, and your ears are big.
- Nope, I don't want to give you a ticket, Sir! No, Officer. No, I don't want!
- Well, Madam.. Ee..
- whatever,
- I'm just gonna send the ticket to myself.
- I gotta go home.
- Look what time is it now?!
- Why are you always late?!
- No way! Your watch is too fast.
- You better align it to qibla.
- We must follow Makkah time as muslim, you know!
- This is your fault, Sir.
- YOUR FAULT!!!
- You must be thankful you know, because I signed it with love.
- By the way, and if it got lost, it's your fault then!!

-So, bye-bye!  
-Why is this document-  
-Haaah??? It's all your fault!!!  
-Why is this your work-  
-Nooo! It's all your fault!  
-Why are--  
-It's not my fault. It's all your fault!  
-Yours, and yours, and yours, and yours, and yours!  
-Do you know where the rest-  
-Noo!! It is all of your fault! Hwaaaaah!!!  
-Finally, I'm free from all of these sinners!  
-It's not my fault, doggy! It's not my fault!  
[YOU'RE NOT THE BEST MUSLIM!!!!]  
[LET'S TRY AGAIN!!!]  
-Admitting a mistake is not a sign of weakness.  
-In fact, it needs great power to be able to see and admit a mistake.  
-The pious person is not one who is always right and never makes a mistake.  
-The pious is one who makes a mistake, admits it, and then asks for Allah's forgiveness.  
-Honey, son, mommy want to say sorry.  
-Your painting got messy and you got bad score because of me...  
-I'm really sorry!  
-Thank you, Mommy.  
-But because of you, my painting was sold for 1 million dollars!  
-What?!!! That is really amazing!  
-I'm so proud of you, my son!  
-Therefore, don't hesitate to admit your mistake.  
-Realizing a mistake is a start of the change towards perfection.  
-May Allah open our hearts and minds to always admit our mistakes and fix them, so that Allah will continue to grant us guidance to the path of righteousness.  
-"All the son of Adam are sinners, but the best of sinner are those who repent often."

-My son is poor.

-My daughter is poor.

-My wife is poor.

-I am poor!!!!

ENOUGH!

-Now, give me your money!

-I'm gonna tell my daddy!

-Hey Bowl, I have a question.

-What?

-Do you think it's okay if we steal from the evil rich and then give to the poor?

-Well, of course!

-What a silly question!

-It's no problem!

-Not only we steal their money, but we also need to steal every living cell in their hands... unnoticed.

-So when they wake up, their hands are gone!

-How in the world can we steal a cell, Bowl?

-It's a cell.

-It's not like candy that's just lying around on the floor. then you can...

-By punishing the corruptor,

-we will help the police and the poor.

-It will make everyone happy!

-That is what our religion want for us: happiness for everyone!

-Give happiness by stealing??

-Do you have any basis in our religion for that?

-OF CROCS!!

-Of course...

-Roobiins hood...

-Roobin sss ghooood...

-Robin' is good...

-Robbing is good!!

-You get it now? Ahh? ahh?

-You see??

Eee....

-Is that so?

-Oh darn it, the TV's broken!

-Can you fix my TV, Bowl?

-Do not worry, mate!

-It'll be easy peasy!

-Is it fixed yet?

Eee...

-It's fixed a bit!  
 -What a naughty TV you are!  
 - It's fixed!  
 -Come on, just a little bit more!  
 -My TV broke!  
 [YOU'RE NOT THE BEST MUSLIM!]  
 [LET'S TRY AGAIN!!!]  
 -Bowl, could you fix my TV?  
 -Of course, leave this to the expert.  
 -Bismillah.  
 -Assalammu'alaikum, Best!  
 -You're an expert with electronic stuff, right?  
 -Well, we have a sick TV on our hands.  
 -Can you come, Best?  
 -Wa'alaikumussalam warahmatullahi wabarakatuh, Bowl.  
 -Sure, I don't have anything else to do.  
 -Don't worry, let me check.  
 -Ugh, this isn't healthy for my brain.  
 -This is an old TV.  
 -A very old TV.  
 -But it has a feature to slide the picture, Bro.  
 -So you just need to turn this button.  
 And... Tadaaa...!!!  
 -See?  
 -Alhamdulillah, this old TV can easily be set.  
 -You can fix it yourself.  
 -Just don't punch it, okay?  
 -It's that easy?!!  
 -It's good that I made the right decision to ask the expert.  
 -Well, anything else you need me to fix, Bro?  
 -Yes, I want to ask a religious question, Best.  
 -Relax.  
 -I know the expert for your kind of question.  
 -Let's roll to the masjid!  
 -Let's rooooll~~~  
 -For an action to be accepted by Allah,  
 -there are two crucial prerequisites.  
 -One, sincerity.  
 -Two, performing the action according to the way The Holy Prophet (PBUH) did it.  
 -So, when we perform any deeds,  
 it is important to ask ourselves:  
 -Am I doing it the right way?  
 -Am I sincere in my action?  
 -So, we can't just do actions like stealing even if our purpose is to help other people.

Better than the whole World!

[grunting]

-After all those physical training that I did,

-I can lift any heavy objects that I got my hands on.

-I can endure any pain.

-Until I can easily defeat everyone in a single punch.

"Ultimate Punch!"

-I was undefeatable.

-But now... I lay here... defeated... and humiliated.

-So... this is the feeling I'm looking for.

-Ugh... Tell me.

-How did you get that strong?

-So you really want to know, don't you?

-Tell me.

-You really really wanna know?

-Yes, yes.

-You really really really want to know?

-You got me already!

-OK.

-Try lifting this piece of cloth.

C'mon, Best.

-You're kidding me, right?!

-You're underestimating my pow...

Aaakk!

Aaakh?!!

-Why...???

-Why can't I lift this single piece of cloth from my body?!

Errgh...

-What is this?!

-Well, without the right mind and intention, you won't be able to lift that Blanket of Fajr prayer!

Ugggh...

-Blanket of Fajr prayer...?

-Is this the secret? Your strength?

Ding ding ding ding ding!

-PRECISELY!

-But it's only just the beginning!

-And this is just the easiest part compare to some other trainings that we have to do.

NANI?!!!

-There's another more difficult training than this?  
-If you truly want to become strong, make sure you stick to this super-duper awesome intense routine.  
-Now listen carefully.  
-Lift your blanket up before Fajr.  
-Do perfect wudhu.  
-Wear your best clothes. And then go pray. In the masjeed!  
-What?! In the masjeed?!  
-But that will be really really hard! Eeerrrrghhh!  
-But I will do that!  
-I want to become stronger!  
-That's not all, Pungki.  
-After Fajr prayer, remember!  
-4 rakaah of Dhuhur,  
-4 rakaah of Ashr,  
-3 rakaah of Maghrib,  
-4 rakaah of Isha.  
-That's right.  
-In the masjeed.  
-Every single day.  
-That's what you gotta do to become the best muslim ever!  
-WHAT?!!  
-Okay.  
-I will become the best muslim!  
Errrrrrghhhhhhh...!!!  
-Millions of muslims defeated under the power of the Blanket of Fajr.  
-Only few could survive its grasp. But Pungki knew,  
-only in the darkest depth of fajr, does the strength of muslim truly shine.  
-At that moment,  
-Pungki realised the meaning of his live.  
-As a servant of The Most Powerful,  
-he will conquer all obstacles in front of him to go to the masjeed and rise to become the best muslim!  
-Today I'm gonna be the best muslim and go... to the MASJEEEEED!!!!

S2 - Episode 09

## The Greatest Enemy

-Ibn al-Qayyim notes that the entire religion consists of the ability to distinguish.

-This is why the Quran refers to itself as Al-Furqan (The Distinguisher).

-The guidance within the Quran and the example of The Prophet (ﷺ) in his Sunnah, help us distinguish the light from the darkness, not only in the world, but within our own selves.

اللَّهُ أَكْبَرُ

الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

-Take this, Pungky.

-This will take all your problems away.

-and you'll be happy right now.

Hmmm.

[phone notification] Hmm?

-And after that, the problems will just come back, right?

Ahaha...

-Thanks, but, no, thanks.

-I don't wanna runaway from my problem.

-Thanks anyway, dude.

-So we use a special trick.  
-Praise is poisonous, Best.  
-It is very powerful to ruin a good intention and turn it into a corrupt one.  
-Your weak soul begins to rely and want to be praised.  
-You like it so much...  
-that you start to crave it.  
Hahahaha...!!!

-We can't be left to our own nafs.  
-We are soiled with our sins....  
-We have a lot of darkness in our hearts...  
-But Your river of mercy is constantly flowing...  
-We ask for one drop of it to be given to us...  
-Ya Allah purify our hearts...  
-What is this?!  
-What's going on?!  
-The heart is changing!  
Ya Allah help me to remember You thank You and worship You in the best possible way...  
-Make us the best muslim that we can be.

The one to whom Allah and His Apostle becomes dearer than anything else;  
Who loves a person and he loves him only for Allah's sake;  
Who hates to revert to disbelief as he hates to be thrown into the fire."
