

St. Joseph's DECA Chapter had 31 students compete at the DECA State Career Development Conference March 10-12th in Detroit. Students competed in a variety of role plays, written events and a teamwork event- which are based around Marketing, Management, Hospitality and Business skills. Cole Toney with his Gold Merit Awards Project and Madison Jackson with her Independent Business Plan have both earned a chance to compete at the International Career Development Conference in Atlanta from April 23- April 26, 2022. We also had 5 students earn finalist medals in their events.
