

"You have a really interesting point."

*Say this line in the kindest way possible.*

"You have a really interesting point."

*Say this line in the most passive-aggressive way possible.*

"Why do you think that?"

*Say this line in the most interested way possible.*

"Why do you think that?"

*Say this line in the most disinterested way possible.*

"I've never heard that perspective before!"

*Say this line in the most judgemental way possible.*

"I've never heard that perspective before!"

*Say this line in the most caring way possible.*

"What a different opinion from mine."

*Say this line in the most sarcastic way possible.*

"What a different opinion from mine."

*Say this line in the most sincere way possible.*

"Where did that idea come from?"

*Say this line in the most engaged way possible.*

"Where did that idea come from?"

*Say this line in the most bored way possible.*

"I really loved how you referenced the text there."

*Say this line in the most demeaning way possible.*

"I really loved how you referenced the text there."

*Say this line in the most uplifting way possible.*
