Hallie

Riposare in pace.

Tom

Niech spoczywaj w pokoju.

Kyle

You've died! But don't worry, we here at *Quest Friends!* are here to help you with your afterlife onboarding process.

Hallie

As you know, the worlds of the living and the dead aren't that far apart.

Ari

And you might think, I don't need to learn anything new! For BITE's sake, the skeleton of Uncle Quique visits me every weekend!

Tom

But you'd be wrong.

Emily

DEAD wrong.

Hallie

That's why we've gathered five best friends to tell an improvised story using a brand new Powered by the Apocalypse roleplaying system, made specifically for this podcast.

Kyle

Don't worry, the actual apocalypse isn't coming! Yet.

Tom

Every other monday, we release fun, episodic adventures in a world where the realm of the dead is only a plane ride away, inspired by cartoons like Amphibia, The Owl House, and Gravity Falls.

Hallie

Follow the adventures of a very cool, very hip middle-aged reporter who's searching for the scoop,

Hallie (as the reporter)

Okay Pepito! Go on, Pepito, go on!

Hallie

She urges the first mouse through the giant hole in the wall and then BLOOP! disappears back into the bush with just a little bit of rustling.

Tom

a mischievous ghost monster trainer who's determined to become the best, like no one ever was,

Kyle

You wake up, tied to a tree, on the shores of this beach.

Tom (as the trainer)

...what the F?

[Laughter]

Ari

an elderly skeleton who just wants to enjoy his post-twilight years in peace,

Ari (as the skeleton)

Eeey! Cácaro!

Hallie (as the reporter)

Maybe it's over.

Ari (as the skeleton)

That's the wrong movie; we were supposed to be watching Bennifer's Garden! Cácaro!

Emily

and many, many more!

Emily (as ???)

Welcome... to your doom. It's very nice to meet you.

Kyle

So, whether you've recently departed or are just visiting, Welcome!

Ari

¡Bienvenido!

Emily

Bienvenue!

Hallie

Benvenuti!

Tom

Witaj!

Kyle

to the Hereafter.
