Dog-Friendly Snickerdoodle ("Snickerpoodle") Recipe

This recipe uses simple, wholesome ingredients and makes about 40 treats.

Ingredients

For the Dough:

- 3 cups brown rice flour (or 1.5 cups oat flour and 1.5 cups brown rice flour)
- 2 tsp. ground cinnamon
- 1 large egg
- ¼ cup honey (use pasteurized honey, especially for puppies under 12 months)
- ½ cup water (you may need a tablespoon or two more to achieve the right consistency)

For the Coating (optional):

- ½ cup cornmeal (or additional flour)
- 2 tsp. cinnamon

Instructions

1. Preheat oven: Preheat your oven to 375°F (190°C).
2. Combine dry ingredients: In a medium bowl, whisk together the brown rice flour and cinnamon.
3. Mix wet ingredients: In a separate bowl, blend the honey and egg well.
4. Combine wet and dry: Add the wet mixture to the dry ingredients and mix with a fork. Gradually add the water, one tablespoon at a time, until the dough comes together and you can form a ball with your hands.
5. Prepare coating: If using a coating, mix the cornmeal and cinnamon in a small, shallow bowl.

6. Form and coat cookies: Roll the dough into small balls of desired size. Roll each ball in the cornmeal/cinnamon mixture to coat it.
7. Bake: Place the balls on a parchment-lined or greased cookie sheet, about 2 inches apart. Flatten each with a fork, pressing down twice in a crisscross pattern (like a peanut butter cookie).
8. Bake: Bake for about 12 minutes, or until the edges are golden brown and lightly hardened.
9. Cool and store: Allow the "Snickerpoodles" to cool completely on the baking sheet (they will harden further as they cool). Store them in an airtight container at room temperature.
