

Carole Lulham  
Saint John, NB

Now a resident of New Brunswick, I am a Québec native and spent most of my career in plant sciences in Alberta. I have been a mosaic artist for twenty-three years, a professional artist for four years. I love being part of the mosaic community, the creative and technical challenges of mosaics, and promoting the art of mosaic.

I offer over fifteen years of board experience for national organizations such as Mountain Equipment Coop, Canadian Association of Agri Retailers, Croplife Canada, and community groups such as the Calgary Horticultural Association and Artpoint Gallery and Studios Society of Calgary. I have worked in the roles of Treasurer and Secretary and sat on various committees such as Governance, Membership, Finance and HR.

I am fluently bilingual in French and English.
