Congrats Zarfot on the victory! Scott you BLEW IT. Dumbass.

FannyChmelar: bye @ ur bitter bubble ass. I can see why you're always first boot now bc no1 wants to play with a bitter bitch. JS I love how you can't even vote on gameplay bc you know you'd be forced to vote me so you have to vote completely based on salt and bitterness. :) Hope this shows something to the other jurors as to what not to be.

Zarfot:
