	Monday	Tuesday	Wednesday	Thursday	Friday
Overall Expectations **Math C1, C2** **Language:C1 and D1** **S. St: B** **Science: A1and B**	**Period 1- Quran /Calligraphy Workshop** **Period 2: Math** **Math Homework Take up**	Period 1 Islamic Studies **Period 2: Math** BOOK C **Chapter 17** **Patterns and Algebraic Expression** **Lesson 1** **Lesson 1(Repeating, Growing and Shrinking Pattern)** **Guided and Independent practice**	Period 1 Arabic **Period 2 Math :** BOOK C **Chapter 17** **Patterns and Algebraic Expression** **Mind Map Patterns and Quick Check from textbook, chapter17**	**Period 1:Language** Spelling Spectrum **Lesson 11** Anti Bullying Comprehension Period 2: Arabic	Period 1: French Period 2: Is. Studies **Period 3: Spelling Test** **Lesson 10 and** **Anti Bullying Comprehension** **Please make sure your child has a spelling notebook.**
Specific Expectations **Math**C1.1, C1.2,C1.3 **Language: C1.1, 1.2, D1.1, D1.2** **S. St: B1, B2, B3** **Science: A1, B1, B2.2-B2.4**	**Period 3: GYM** **Period 4: Islamic Studies** **Period 5:** **Anti Bullying Activity**	**Period 3: Math** **Chapter 17** **Patterns and Algebraic Expression** **Lesson 1** **Lesson 1(Repeating, Growing and Shrinking Pattern)** **Guided and Independent practice** **Period 4:Science** Students will learn about Nervous System **Period 4:Quran**	Period 3:Math **Chapter 17** **Patterns and Algebraic Expression** **Lesson 2(Determining and Using Pattern Rules)** **Guided and Independent practice** **Period 4 Language** Paragraph Editing Practice and Assessment for learning Biography in Class Assignment starts	**Period 3 : Social Studies** Rights and Responsibilities of Citizens **Period 4: Quran** **Period 5: Language** Biography in Class Assignment starts	**Period 4: Arabic** **Period 5: Social Studies** Reading about Federal vs Provincial
Unit/ Lesson **Big Ideas**					

Math : Patterns can be found in real life around us larger to smaller units.					
Homework / Class Work				**Homework on Grammar will be sent home today**	

Learning Goals		Language LA • demonstrate an understanding of foundational language knowledge and skills, and apply this understanding when reading and writing • apply listening, speaking, and non-verbal communication skills and strategies to understand and communicate meaning in formal and informal contexts and for various purposes and audiences •	**Math** Converting larger units of measurement to smaller units.	Converting larger units of measurement to smaller units.	
Success Criteria			Students convert larger units of measurement to smaller units. independently after the guided practice	**L.A**Students will show their understanding of sentence structure and understanding of texts such as cause and effects.	
Instructional Strategies			Guided and Independent	Guided and Independent	

Assessment & Evaluation			Assessment as learning through guided and of learning during independent work. Exit slip to	Assessment as learning through guided and of learning during independent work	
Materials & Resources			-Math textbook, Math Notebooks - Nelson Literacy	-Science Unit Printables -Social Studies Unit Printables	
Islamic Link (explore, compare, question, connect, appreciate)					

Islamic Link The 5 Ds (explore, compare, question, connect, appreciate)	**1. Explore** = x **2 Compare** = x **3. Question = (1) → Who** are the makers of x? Engineers? Designers? Programmers? **What** are they made of? Did it create / assemble itself by itself? From nothing? Did it come from nature? Did it happen by chance? Does it work on its own? How does it work? **(2)** → How does the x come about? Did the x make its own x? Did the x get itsx by chance? Can the x move and navigate ways on its own? Who do you think made the x? Has anyone seen something making itself? x **4. Connect** = Helps readers seek the Maker of the observed phenomena and understand the hidden messages/meanings of His acts. x → Connect to The Divine Names: x **5. Appreciate** = → What are the character lessons? x → Recall countless benefits of the explored topic and appreciate and thank Allah for this blessings through: zhikr, fikr, and shukr. x
